

NATIONAL COUNCIL FOR COOPERATIVE TRAINING

Achievements -2020-2021 – At a Glance

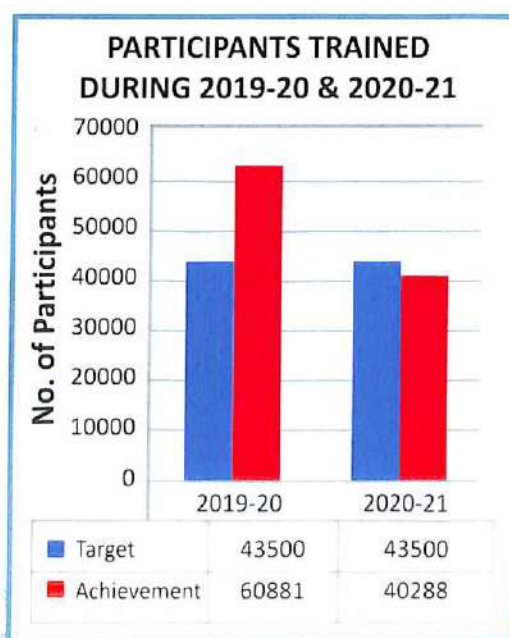

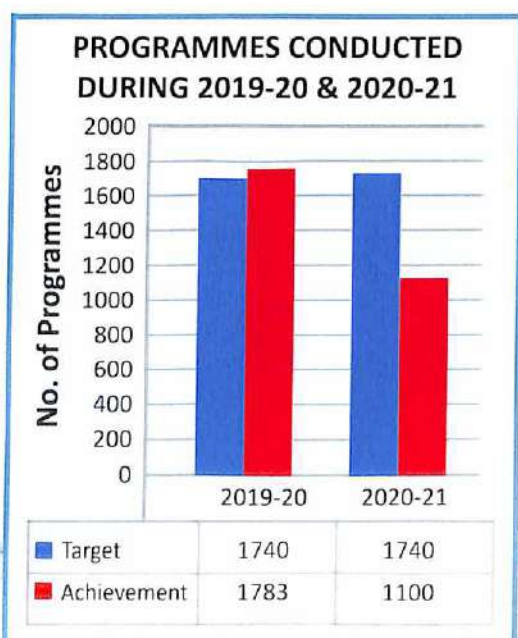

National Council for Cooperative Training (NCCT) is a society registered under the Societies Registration Act, 1860 promoted by Ministry of Agriculture and Farmer's Welfare, Department of Agriculture, Cooperation and Farmer's Welfare, Government of India. NCCT is responsible for organizing, directing, monitoring and evaluating the arrangements for cooperative training for the personnel working in the cooperative sector in the country as well as other stakeholders of Cooperative Sector. The main objective of the Council is to organize need-based training programmes and facilitate the process of human resource development for cooperatives of the country. It also envisages researching critical areas of cooperative movement. These activities of National Council for Cooperative Training are conducted through 20 Institutes at National Level, Regional Level and State Level located all over the country. NCCT units have also exhibited their role on doing consultancy services and conducting research projects in potential areas of cooperative sector. All the RICMs and ICMs are accredited with C-PEC, BIRD, Lucknow.

During the year 2020-2021, NCCT's Training Units have organized 1100 Training programmes with 40288 participants against the target of 1740 programmes with 43500 participants. There has been a marginal shortfall on achieving target during the year, 2020-2021 due to prevailing Covid-19 Pandemic. The achievements were adversely affected due to the Covid pandemic crisis and as a result funding agencies did not turn up to sponsor Training programs appropriately and also beneficiaries and other stake holders were not inclined to undergo Training programmes. Besides, majority of the Training Institutions were taken over by the State Govt. converting the premises into Quarantine Centres which also affected the target.

ACHIEVEMENTS ON ACADEMIC ACTIVITIES

Apart from organizing routine training programmes, the training units of NCCT have also conducted professional courses like PGDM (Agri-Business), MBA, PGDCA, BBA, and Diploma in Rural Management orienting the participants with the upgraded knowledge, skills and attitude, behavioral change as a pre requisite for makeover towards attaining professionalism on managing cooperatives, corporate establishments and other entrepreneurial developments.

The training programmes conducted and participants trained during last two years are depicted in the column chart below:
