***Report on
National Webinar on Transforming PACS through Common Services Centre (CSC)
held on 22nd December, 2023 in NCCT, New Delhi***

The Ministry of Cooperation recently forged a significant collaboration by signing a Memorandum of Understanding (MOU) with the Ministry of Electronics & IT, NABARD, and CSC-e-Governance Services India Limited. This strategic alliance aims to transform Primary Agricultural Credit Societies (PACS) into Common Service Centres (CSCs), heralding a new era of accessibility and services for rural communities.

In line with the pivotal role of Common Service Centres [CSCs], NCCT orchestrated a specialized CSC Webinar Program focused on PACS in conjunction with the CSC TEAM on December 22, 2023. This collaborative initiative was designed to introduce CSC Services, leveraging the strengths of PACS for the welfare of rural denizens, including PACS members.

The Ministry of Cooperation's visionary initiative empowers PACS to evolve into Common Service Centres, providing an extensive array of over 300 services. These encompass vital offerings such as banking facilities, insurance, Aadhar enrollment/updation, healthcare services, legal assistance, PAN card services, and the booking of IRCTC/Bus/Air tickets. The integration of these services aims to significantly enhance the quality of life and opportunities available to rural populations. Ministry of Cooperation has signed a Memorandum of Understanding (MOU) with Ministry of Electronics & IT, NABARD and CSC-e-Governance Services India Limited to enable PACS to function as Common Service Centre.

Considering the importance of the Common Service Centres [CSC], NCCT organized a CSC Webinar Programme on PACS in collaboration with CSC TEAM on 22nd December, 2023 for implementing CSC Services for the benefits of rural people including PACS members. This initiative of Ministry of Cooperation enables PACS to function as Common Service Centre and provide over 300 Services such as Banking, insurance, Aadhar enrolment/updation, Health Services, legal services, PAN card and IRCTC/Bus/Air-Tickets etc. to the rural people.

At the commencement of the webinar, the Secretary of NCCT extended a warm welcome to the distinguished CSC Team, particularly acknowledging the presence of Shri Akshay Jha, COO-CSC, SPV; Shri Ravi Kant, Marketing Manager & Communication CSC; Smt. Swarna Prabha, Head of CSC Agriculture; and Shri Vibhash, HOD of CSC Capacity Building Team.

During his address, the Secretary highlighted a pivotal achievement: approximately 25,000 PACS Members have actively embraced Digital India services facilitated by CSC-e-Governance Services through the Ministry of Cooperation. He emphasized the substantial progress made, with over 300 services now accessible to PACS members in rural areas. This concerted effort has notably contributed to heightened revenue, increased production, and an infusion of transparency into the management systems, signifying a remarkable stride forward.

A concise yet comprehensive video was showcased, illustrating the integration of PACS with Common Service Centres (CSCs). The video meticulously showcased an array of benefits accessible to PACS members, encompassing:

1. **Pradhan Mantri Welfare Schemes:** Detailed insights into various government welfare schemes available for PACS members.

2. **Aadhar/PAN Services:** Streamlined processes for Aadhar and PAN-related services, ensuring accessibility and convenience.
3. **Atma Nirbhar Bharat:** Empowering self-reliance by facilitating opportunities and resources for PACS members within the Atma Nirbhar Bharat initiative.
4. **Development of Rural PACS & LAMPS:** Progressive measures aimed at uplifting rural PACS and LAMPS, fostering their growth and sustainability.
5. **Cooperative Banking:** Access to cooperative banking services, ensuring financial inclusivity for rural communities.
6. **Provision of Agricultural Inputs:** Initiatives such as providing fertilizers to farmers at village and district levels, establishment of petrol pumps, and facilitating essential health services and insurance coverage.

The video succinctly portrayed the diverse range of services and initiatives aimed at enhancing the livelihoods and well-being of PACS members, highlighting the multifaceted support available through the PACS-CSC collaboration.

Insights from Shri Akshay Jha, COO-CSC SPV

Shri Akshay Jha, the COO-CSC SPV, shed light on the pivotal role of CSC in transforming PACS through its Production & Services category. Despite short notice, the webinar witnessed an impressive participation of over 1000 PACS Members, reflecting their keen interest in this transformative program.

Highlighting CSC's expansive offerings, he emphasized the platform's repository of 833 products and 300 services currently available through their portal. Jha underscored the critical financial support extended to farmers and rural communities through CSC, acknowledging the challenge of PACS' financial viability and sustainability.

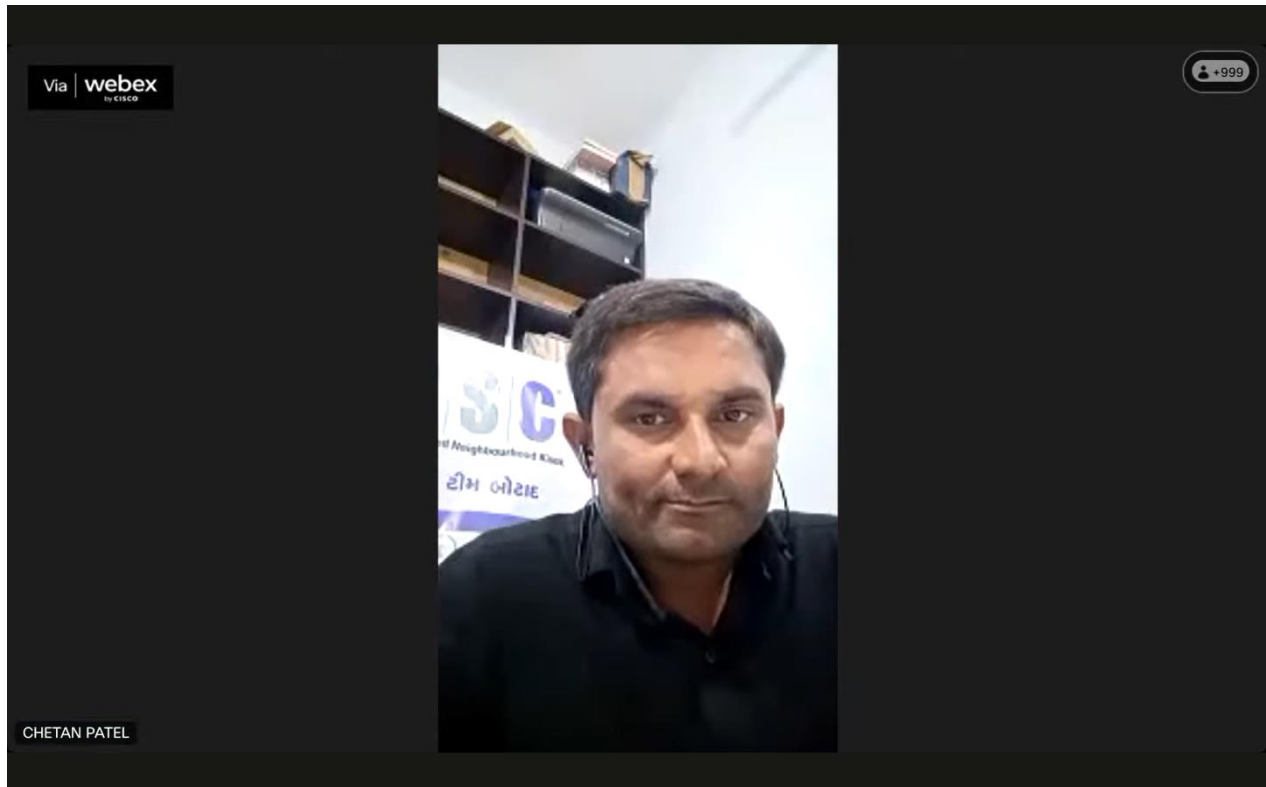

While noting that 62,000 PACS are operational, with 49,000 trained on the Boarded Platform, Jha flagged the need for increased active participation. Currently, only 26,000 PACS engage actively in transactional activities via CSC, a figure considered notably low.

He elaborated on the extensive range of services CSC facilitates, including a digital service portal catering to rural populations, cooperative banking, crop insurance, Aadhar enrollment/updating, legal services, and various essential services such as PAN card issuance, mobile charging, bill payments, and ticket bookings for rural citizens.

Furthermore, Jha highlighted the Agriculture Products Category services, encompassing essential farmer equipment, cattle feed options like Amul Cattle Feed and Patanjali, and governmental schemes such as Pradhan Mantri Kisan Samman Nidhi Yojana. Additionally, he stressed the importance of farmer registration/validation to access Direct Benefit Transfer (DBT) benefits, necessitating a bank account linked to these benefits.

Jha pointed out notable transactional activities concentrated in Uttar Pradesh, Jharkhand, and Rajasthan, expressing optimism about the expansion of transactions in other states through CSC. He emphasized CSC's commitment to providing comprehensive support to PACS, aiding their seamless adoption of e-services through dedicated handholding assistance.

Exemplary Success Stories from PACS Implementing CSC

During the webinar, two remarkable success stories were shared by PACS, exemplifying the effective implementation of CSC services.

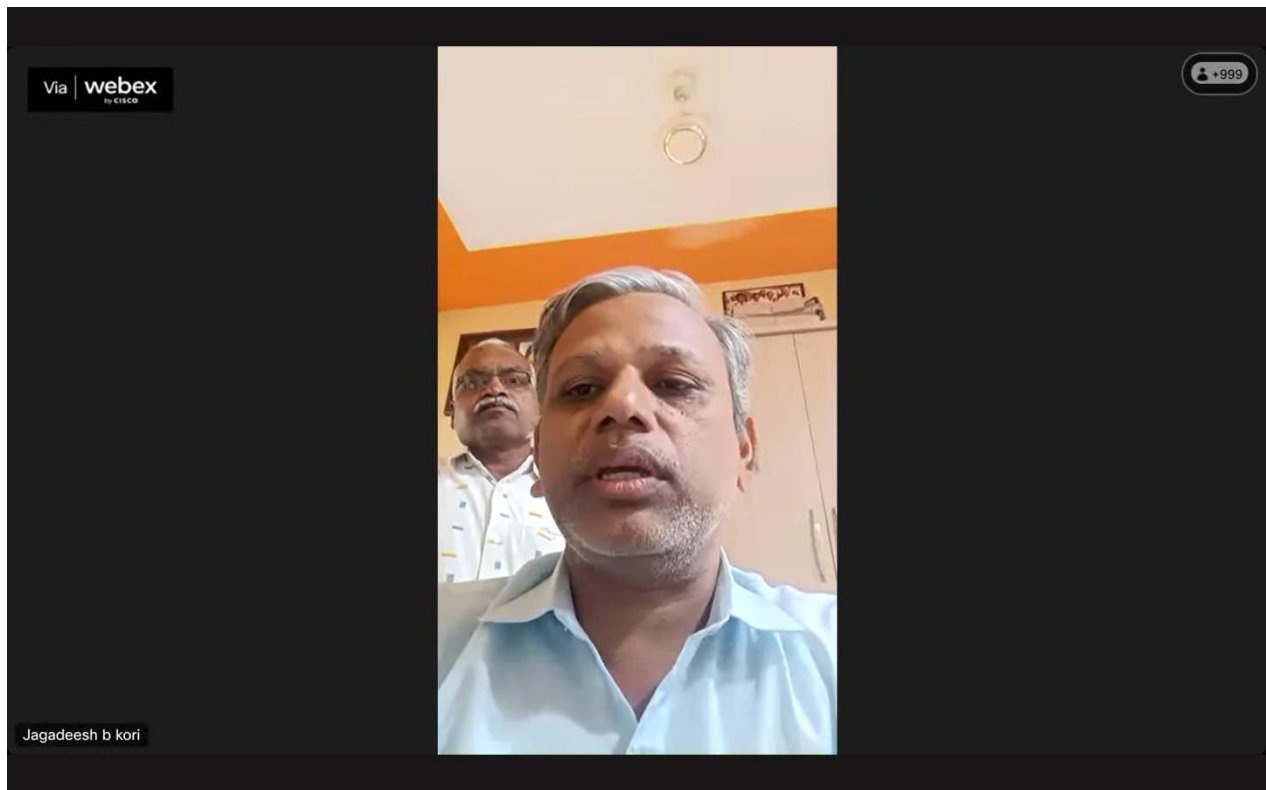

I. *Shri Patel Chetan Bhai Ishvarbhai, Secretary, Krushi Seva Sahakari Mandli Ltd., Botad District, Gujarat* highlighted the following achievements:

- ***Efficient, Transparent, and Reliable Services:*** Their PACS successfully provided hassle-free and transparent services to rural communities, ensuring reliability in service delivery.
- ***PM Kisan e-KYC Implementation:*** A significant achievement was the successful implementation of PM Kisan e-KYC for availing benefits under the PM Kisan Samman Nidhi Scheme. Mandatory registration through CSC enabled approximately 45,000 farmers in their region to enroll for PM Kisan e-KYC.
- ***Expanded Services:*** The PACS extended facilitating services, including Aadhar/PAN preparation and insurance services.

- **Business Transactions:** As per CSC data, this proactive PACS facilitated business transactions amounting to Rs. 45,66,990.46, reflecting a substantial economic impact in their area.

Shri Patel Chetan Bhai Ishvarbhai's testimony highlighted the tangible and transformative outcomes achieved by their PACS through the seamless integration of CSC services, benefiting a significant number of farmers and rural inhabitants in their district.

II. Shri Jagadish B Kori, PACS Tikota, Vijayapur Distt., Karnataka

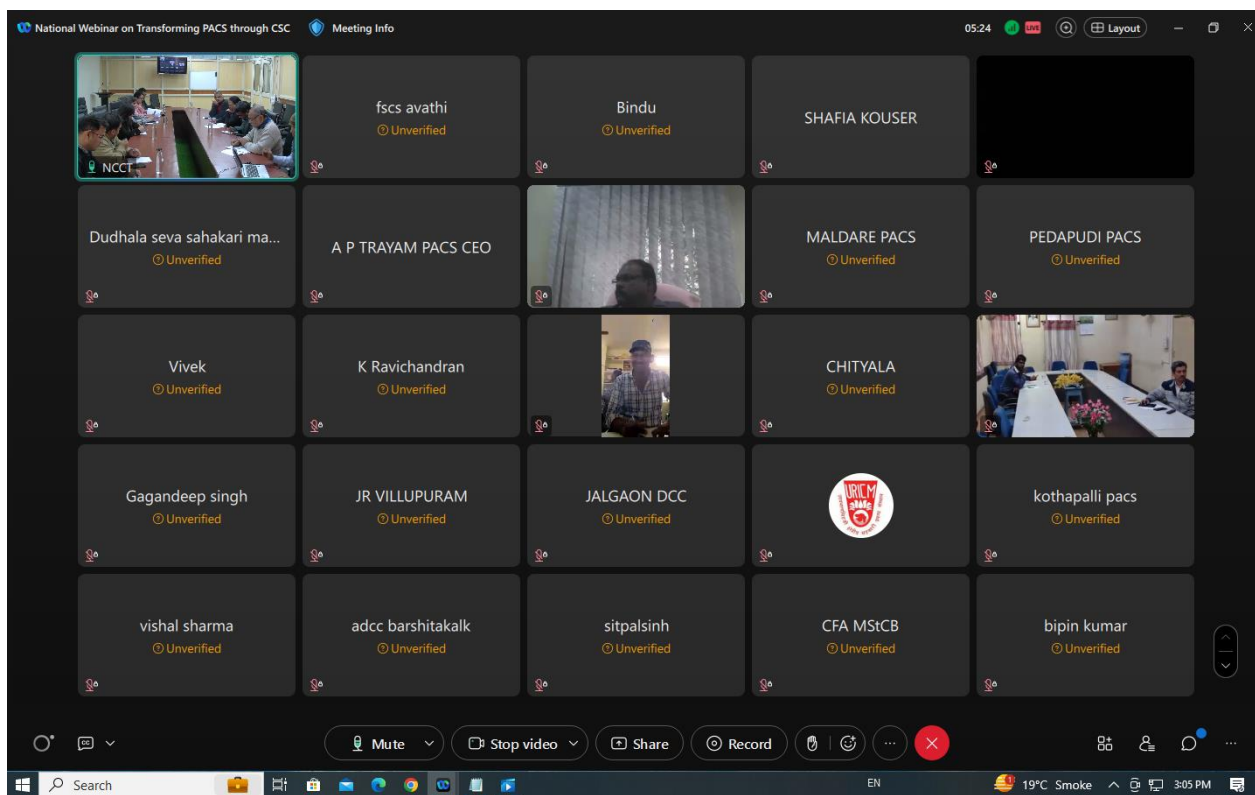

Shri Jagadish B Kori shared an overview of the services offered to PACS members, outlining the following provisions:

- **Aysuhman Card:** Offering access to Aysuhman Cards, ensuring healthcare benefits for PACS members.
- **Aadhar/PAN Card Services:** Facilitating Aadhar and PAN card services, essential for identity and financial transactions.

- **Pension-Related Services:** Extending pension-related services to villagers through the CSC Portal, enhancing social security for the community. However, currently not permitted to facilitate Aadhar card updates or corrections through CSC.
- **E-Bill Payments:** Enabling the seamless payment of E-Bills for convenience and ease of transactions.

According to CSC data, this PACS managed transactions totaling Rs. 33,69,783.51, showcasing significant business activity and economic impact generated through the services rendered. Shri Jagadish B Kori's insights highlighted the diverse array of crucial services provided by their PACS, contributing to the welfare and convenience of PACS members and the local community.

Question & Answer Session Summary

During the interactive session:

Training Programmes for PACS: Shri Mukesh Kumar from Bhadravalu Kurshi Sewa Sahakari Mandali inquired about training programs for PACS at the village and district levels.

Response: The NCCT Faculty assured that soon, training and awareness programs on CSC would be organized village and district-wise with the assistance of the CSC Team.

Regional Language Webinar Request: A PACS member from Tamil Nadu expressed the need for webinars in regional languages to better understand the CSC program.

Response: Dr. P. Raja Balachandran, Faculty, NCCT addressed this concern by translating queries into regional languages to facilitate comprehension.

Several participants also shared their queries via text messages:

Queries ranged from concerns about additional commissions collected for services, requests for state-wise training programs, and permissions related to Aadhar updates.

The COO-CSC SPV, Shri Akshay Jha, along with NCCT officials, addressed these queries during the session. They affirmed that NCCT, with CSC team support, would soon conduct comprehensive training and awareness programs across all states at village and district levels on physical mode. Moreover, emphasis was placed on conducting these programs in local languages for the convenience of rural farmers and PACS members.

Shri V Sudhir, Deputy Director (Programme) at NCCT, expressed gratitude for the substantial participation despite the short notice. He assured the forthcoming organization of state/district-level training programs through NCCT training units to raise awareness about CSC. The webinar concluded with the screening of a Ministry of Cooperation initiative video to enlighten PACS Secretaries. Smt. Vijayashri Bhagawati from NCCT coordinated the webinar, which saw around 1983 participants through Webex and 3181 viewers on YouTube, further highlighting its reach and impact.

Recommendations/Suggestions to CSC Services for PACS

1. Training Programme should be conducted at the Block level for PACS.
2. Hands-on Training will be organised initially for the onboarded functional PACS in CSC platform countrywide.
3. Online/Offline Sensitization/awareness Programme will be organised for the PACS Secretaries/Technical expert/Data Entry Operators etc.
4. Training material and delivery of Sessions should be in vernacular language.
5. Road blocks at PACS level for implementing CSC Services should be identified and facilitation should be provided to them to implement CSC Services.
6. The District Manager from CSC may act as point of contact for PACS to provide technical support on CSC Services.
7. Income Potential CSC Services should be highlighted to the PACS Secretaries.
8. At the beginning of the every training programme, the knowledge level of participants on CSC should be gathered subsequently the sessions should be deliver as per the requirements.
9. CSC will provide the training delivery to the PACS representatives during the training programme at district/block level.
10. A Calendar of Programmes for CSC Block/District level training will be finalised by RICMs/ICMs in consulatation with CSC officials under their area of operation.
