## **VIDEO CONFERENCE ON FUNDING PROJECTS ON POST-HARVESTING INFRASTRUCTURE AND MANAGEMENT**

A video Conference via Google Meet was held on 1.6.2020 at 4.00 p.m. under the Chairmanship of Shri Vivek Aggarwal, IAS, Joint Secretary (Cooperation), Ministry of Agriculture & Farmers Welfare on Funding Projects on Post-harvesting Infrastructure and Management. The Joint Secretary mentioned that the Government of India has proposed to provide Financial assistance up to 1,00,000 crores for next 4 years including the current financial year, to set up Post-harvest Management Infrastructure as well as Community Farming Asset so that there will be long term benefit for farmers and sustained employment opportunities. He also highlighted the existence of clusters for citrus, grapes, fruits and inadequate

facilities for warehousing, cold storage, sorting, grading and standardization, packing and waxing etc. Due to which farmers are compelled to sell their produce at a reduced price. Also, he mentioned that ripening unit for banana plantation, sorting and packing of mangoes and apples will be required. Similarly, cereals produced by North-Eastern States, traditional coarse grains from tribal areas of M.P, Andhra Pradesh and Karnataka; require primary processing infrastructure to make the produce saleable at a better price for farmers. He also said, there is a scope for post-production processing and value addition activities and there is no dearth for funding.

*Shri Vivek Aggarwal, IAS, Joint Secretary (Cooperation), Ministry of Agriculture & Farmers Welfare addressing the participants of the webinar organized by NCCT on 1.6.2020 through Google Meet*

On the above background, he has requested all Directors of the units to undertake a preliminary study, collate the ideas and submit 10-15 projects which will be suitable in the respective areas.

The Institutes, providing viable projects might get permanently engaged with those projects which will give handholding and capacity building in the beginning and this will result in revenue generation for that Institute.

## **VIDEO CONFERENCE ON STRATEGIZE THE TRAINING & EDUCATION PROGRAMME DURING LOCKDOWN AND POST COVID PERIOD**

Owing to the mounting challenges that are prevailing due to Covid 19 pandemic, a Video Conference via Google Meet was organized with the Directors of VAMNICOM/ RICMs/ICMs & NCCT officials on 28th April, 2020 with the main objective to strategize the training & education programmes during lockdown and post Covid period. Shri Mohan Kumar Mishra, Secretary, NCCT welcomed the participants and advised them to stay safe in this critical situation. He said that in the present scenario, all the activities of the units have been badly affected and hence there is a great need to chalk out a workable road map for conducting the short term and long term programmes in this adverse situation. He urged all the Directors to come out with feasible suggestions in this regard. Director, VAMNICOM suggested to form a Committee for organizing the online training programmes and also suggested that the faculty members should complete all the pending projects, case studies, articles etc. Secretary, NCCT suggested to form a Committee with technical people who can advise us about the methodology and guidelines for all the units till we develop the infrastructure.
