INDEPENDENT AUDITOR'S REPORT

The Central Registrar, & Joint Secretary to Govt.of India, Department of Cooperation, Ministry of Agriculture, Krishi Bhawan, New Delhi-110001.

Report on the Financial Statements:

We have audited the accompanying standalone financial statements of National Council for Cooperative Training which comprise Balance Sheet as at 31st March, 2019 and the Income and Expenditure Account for the year ended on that date annexed thereto and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, and financial performance of the NCCT in accordance with the Accounting principles generally accepted in India, including the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the NCCT and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance

l

of internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the NCCT's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances bur not for the purpose of expressing an opinion on whether the NCCT has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the NCCT's management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Balance Sheet, of the state of affairs of the NCCT as at March 31, 2019;
- b) In the case of the Income and Expenditure Account, of the "Deficit of income over expenditure" for the year ended on that date.

Report on Other Legal and Regulatory Requirements

We Report the following observation/comments/discrepancies / inconsistencies; if any:

Common Points in All Branches

- i) Depreciation is charged as per accounting policy of NCCT. The current assets and current liabilities are subject to confirmation. Fixed assets schedule could not be verified from individual unit schedule, hence we can not comment on amount of variation in the schedule.
- ii) The accrual concept has not been fully adopted.
- iii) The NCCT-HO has appointed concurrent auditors for each unit for in depth checking of accounts. We have relied on concurrent Audit Report for the financial year 2018-19.
- iv) Internal control on fixed assets is very weak. Fixed assets not maintained on prescribed lines.
- v) Receipt and Payment A/c is not prepared on cash book. Hence no comment on its correctness.

- vi) Physical Verification of fixed assets is not done as per laid down procedure, hence we cannot comment on any loss of fixed assets.
- vii) Income from investment and paid program/professional share/ service charges from hostel of following unit directly transferred to TDF & Building Funds instead of showing in income and expenditure A/c and then further transferred to NCCT- Head Office per accounting policy of NCCT but this practice is against the income Tax/Accounting rule and this practice understated the profit and loss of current year.

Consolidation Issues

- i) It is found that Consolidated chart of Depreciation of all the units and HQ prepared of last some years and current year except financial year 2017-18, details of each in this chart not made so we can not comment on the consolidated figure whether it is correct or not .consolidated schedule of fixed assets could not be tallied with individual schedule.
- ii) All the accounting standards has not been complied properly like AS-9, AS-21, AS-22, AS-10 etc.
- Effect of inter unit balance has not been eliminated hence due to which current assets and liabilities overstated. Amount of Rs. 19,26,30.073.65 is shown in current assets and rs. 19,47,30,328.02 is shown in current liabilities. By these amounts current assets and current liabilities are overstated.
- iv) The head office should formulate a uniform mess policy, which should be followed by all units. There is scope for revenue leakage.
- v) Programme income and expenditure are booked on cash basis. Proper training should be given to staff.

CHENNAI

GENERAL A/C

- i) Depreciation is charged as per rates decided by NCCT policy. Depreciation not charged as per income tax rules. Amount of variation not calculated.
- ii) The current assets and current liabilities are subject to confirmation. We can not comment on its recoverability.

- Goods and Service tax registration not taken in time, the NICM has paid Rs.14,48,648.00 towards GST, from its own funds. This is net loss to the Institute. No dues certificate not produced, hence we can not comment whether full amount paid or something still pending towards interest and penalties. Accountability should be fixed for such huge loss to the Institute.
- iv) The national council for cooperative training has appointed a firm of chartered accountants as concurrent auditors for the financial year 2018-19 and we have relied on their concurrent audit report while conducting statutory audit of the ICM.

v) SERVICE TAX LIABILITY

The NICM has paid Rs.28,39,429.00 towards service tax for previous years due to non compliance of Service Tax provisions. Interset and penalty yet to be paid. No provision made for such liability. Accountability should be fixed for huge loss to the NICM.

- vi) Physical Verification of fixed assets not done as per laid down procedure. We can not comment whether there is any loss due to theft or any other reason.
- vii) Receipt And Payment Account not prepared on Cash basis.
- viii) Funds of the institute are not backed by equailent Investments.
- ix) Interest accrued on FDR does not tally with FDR

x) MBA Accounts

All expenses are booked under Administrative expenses. Institute should book expenses as per its nature.

Income from building Rs.20,42,713.00 directly credited to building fund and to that extent income is understated. Further expenses relating to building e.i.salary, wages Rs. 2,88000.00 and other administrative expenses Rs.16,07,279.00 are directly debited to Building fund and to that extent expenses are understated. Net income from Building ,Hostel is very small and expenses are very high. This needs proper verification and investigation. Other institute income is much higher.

- xii) Bank certificate of interest earned on FDR of banks, not produced for reconciliation and for confirmation of correctness of amount. Further whether TDS is deducted or not, we cannot comment as 26 AS not provided to us.
- xiii) Contractual & Contingent Staff and permanent staff salary both debited in under salary & wages -pay head, while a separate head is for Contractual & Contingent Staff.
- xiv) Caution deposit received from student but no details available. Old deposits, and record should be prepared.
- xv) Attendance Register is not being maintained properly for contractual employees.
- xvi) T.D.F 50% surplus of paid programme is credited to TDF Rs.28,84,745.00 MBA surplus also credited to TDF.Rs. 16,71,606.00 paid on account of CPC arrear also debited to TDF, hence by this amount expenses are understated. Rs.200552.00 booked twice.
- xvii) Bank Reconciliation with Indian Bank
 Cheque deposited in 2017 still shown as receivable. Entries not reversed.
- xviii) Pending dues from students and Paid programmes

Institute is not maintain any record in fincial books for amount recoverable from students and from paid programs. No detail made available. Very serious lapse and needs immediate attention and action.

- xix) MESS OPERATIONS
 NCCT- HO should formulate a uniform policy for appointment of mess contractor, its rates and operation. There is scope for revenue leakage.
- xx) No TDS deducted from mess contractor.

xxi) SUNDRY DEBTORS Rs. 82,02,096.91

Expenses incurred on paid programmes already held, against whichpayment not received has not been booked as expenditure but are shown as sundry debtors. More serious, income/ fee receivable from programmes already held are not shown as debtors. Only record is kept in files. Very serous issue, Financial records should show the receivable fee in books.

xxii) Security Deposits Rs. 24,000.00

No detail available / produced.

- xxiii) Suspense Receipts Rs.39,72,756.37

 The above figure relates to various programmes already done. Fee received not taken to proper revenue head. Proper adjustment should be done.
- xxiv) Fee due for MBA is Rs. 1800000.00 but booked Rs.17,82000.00. Balance receivable Rs18000.00 not explained.
- XXV) Current Liabilities Rs.37,881.00
 In MBA books above figure shown as advance received against training programmes. Further no detail given for advance of Rs.3,06,060.00 advance from Trainee and others.

ICM HYDERABAD

- i) ICM Hyderabad has not taken Goods and Service Tax registration; GST paid Rs.17,52,260.00. Accountability should be fixed and appropriate action should be taken against the concerned staff.
- ii) Depreciation charged as per accounting policy of NCCT and not as per Income Tax act. Amount and its impact not ascertained
- iii) TRAINING DEVELOPMENT FUND

Interest earned on investments Rs.10,97,437.00 is directly credited to TDF and by that amount income is under stated. Arrear paid to staff amounting to

Rs.13,95,662.00 debited to TDF and by this amount expenses are understated. Seminar exp Rs.26,768.00 debited to TDF and further GST for Feb & March Rs.60,014.26 debited to TDF and by these amount expense understated.

iv) MESS ACCOUNTS

Strict internal control required for mess operations. No. of persons/participants taking food, rates requires internal control. NCCT- H O should make uniform policy for appointment of mess contractor, mess operations and other maintenance of records.

- v) Form 26 As not provided to us, hense we can not comment on correctness of TDS standing in the books.
- vi) ICM is keeping their surplus in the form of Fixed Deposits with central bank at a lower rate of interest, it is better if they invest with other banks giving better rate of interest.

vii) BUILDING FUND

Rs. 11,13,522.00 earned as hostel rent is credited to building fund directly and by this amount income is understated. Further salary of Rs. 24,000.00 paid is debited to building fund and by this amount expenses are understated.

viii) CURRENT LIABILITIES

Advance received against training programs:-

a) PACS in Guntur

Rs.15,725.00

b) PACS IN EG

Rs.4,899.00

c) PACS in machine

Rs.6,000.00

d) PACS in Nizamabad

Rs. 56,000.00

e) PACS in Tirupati

rs. 27,000.00

These are old liabilities and institute should get confirmation from parties or should make adjustment entries.

- x) Stock register: It was observed that the stock register has not been maintained properly.
- The current assets and current liabilities are subject to confirmation. ICM should get confirmation of balance from all debtors and creditors.
- Pension receivable from NCCT-HO Rs. 2,24,032.00 dr. receivable from head office is wrongly shown in other liability and due to this current assets and current liabilities are understated by Rs. 2,24,032.00
- xii) Fixed Assets Register: ICM has a fixed Assets register but, it was observed that they are not showing accumulated depreciation in it. It is advised to put a column for accumulated depreciation. Fixed assets register should be maintained as per income tax requirements.

ICM is having assets bought 15 years ago, and are no longer operational. It is advised to dispose off or write off these assets.

The national council for cooperative training has appointed a firm of chartered accountants as concurrent auditors for the financial year 2018-19 and we have relied on their concurrent audit report while conducting statutory audit of the ICM, as concurrent auditors are required to verify day to day affairs on regular basis.

- vi) Interest earned on saving account Rs.1,57,326.00 directly transferred to NCCT- HO and due to this income is understated.
- xvii) Service Tax paid by the ICM due to non registration in time. Accountability should be fixed and appropriate action be taken.

ICM KALYANI

- i) The NCCT has appointed a firm of Chartered Accountant as a Concurrent Auditor for the Financial Year 2018-2019 and we have relied on their Concurrent Year Report while conducting Statutory Audit of the Unit.
- Development Fund and NCCT equally as per Accounting Policy of NCCT Income from investments Rs.1,87,904.00 is directly credited to TDF and Rs.303,146.73 Hostel receipts also credited to TDF with out accounting through Income and Expenditure account and by these amounts income is understated. Further salary of Rs.12,82,832.00 paid due to 7th pay commission is debited to TDF and by this amount expenditure is understated.
- Rs.18,457.00 and interest from investments Rs.2,37,325.00 is directly credited to building fund without routed through Income & Expenditure account as per accounting policy of NCCT however this practice is not acceptable as per Income tax Act / Accounting rules as it understates the current year profit. Hence Building Fund shown in the Balance Sheet does not represent a correct balance. Rs.24,000.00 paid towards salary is debited to Building Fund with routing through Income & Expenditure account.
- Depreciation has been properly charged by the unit but rate of depreciation was given by NCCT itself as per their own policy and guidelines.

Depreciation of Rs.3,90,221.26 is debited to capital fund and assets purchased worth Rs.4,49,627.99 credited to capital fund.

- v) Details of course fee receivable year wise Rs. 6,13,663.00, prepaid expenses rs.41,923.00 and course advance fee Rs.1,95,000.00 not given for our verification.
- vi) No confirmation received for Current assets and current liabilities. It is advised that ICM should get confirmation from all current liability and current assets.

vii) MESSACCOUNTS

The Head office should frame a policy to be followed by all institutes as there is scope of leakage in mess operations.

viii) As per instruction given by ministry revised 6th pay commission additional expenditure meet out from grant only 80% and 20% meet out from own resource generation. But instruction given by ministry not followed by unit.

ix) SERVICE TAX LIABILITY

During the year ICM Kalyani has paid Rs. 12,20,832.00 towards service tax liability, penalty and interest due to non registration in time in spite of advise from the statutory Auditors. Accountability should be fixed and appropriate action be taken against the staff due to whom such huge liability has occurred.

x) GST Registration Number has not taken by the unit resulting in GST Liability would be imposed. During the Audit it is noticed that the unit has received summon regarding GST Liability from the Department. Quantum of amount cannot be ascertained.GST paid by the institute is net loss to the

organization. Accountability should be fixed against the staff responsible for such error.

- xi) There was no reconciliation statement provided with respect to transaction done with Head Office. There should be quarterly reconciliation system so that remittance from NCCT A/c is accurate all the time. There should be reconciliation system of Hostel Bills raised with respect to Hostel Occupancy Register. There should be proper calculation sheet for transfer of various amounts to Ear Marked Funds and share of resource generation so that the same can be verified.
- xii) PHYSICAL VERIFICATION OF STOCK;

 No provision made for old, damaged and obsolete items. Value of such assets not ascertained.
- xiii) Academic Fee : Rs. 31,49,797.00

 Fee as per P & L account
 Rs. 28,66,234.00

 Fee as per Statement
 Rs. 2,83,563.00

Difference not explained to us.

xiv) Mess Fund accounts for the financial year 2018-19 not prepared by the institute.

Internal control for boarding and lodging income is lacking. Proper record of supply of items not maintained. Approval of rate required from competent authority. Goods are purchased through thrift & credit society and there is scope for manipulating the things, hence it is suggested that uniform system should be devised and that should be followed strictly.

ICM, LUCKNOW

- i) Depreciation not charged as per income tax schedule, depreciation charged as per accounting policy of NCCT. Impact not calculated.
- ii) The current assets and current liabilities are not confirmed by parties, hence we can not comment on their correctness.
- iii) The accrual concept has not been fully adopted. Fee of paid programmes are accounted on receipt basis. Accrued and fee due not accounted. It is very serious internal control deficiency. Appropriate action be taken in this regard. Fee due and accrued amounting to Rs.20,82,790.00 not taken in accounts.
- iv) The NCCT- HO has appointed concurrent auditors for each unit for in depth checking of accounts. We have relied on concurrent Audit Report findings for the financial year 2018-19.
- Internal control of fixed assets is very weak. Fixed assets register not maintained as per requirements
- vi) Receipt And Payment A/c is not maintained on cash basis.
- Physical Verification of fixed assets, library books and stationery is not done as per laid down procedure, hence we cannot comment on any loss of fixed assets.
- viii) GST paid during the year is Rs.5,60,984.00. The amount is not recovered from parties due to non registration. Accountability should be fixed for such loss to the ICM- Lucknow.
- (x) SERVICE TAX:-

ICM- Lucknow paid a sum of Rs.55,85,792.58 on account of service tax, Interest and penalty due to non registration. The statutory auditor long back advised to take registration, but due to no action ICM has suffered

huge loss on account of payment towards service tax. Accountability should be fixed and action should be initiated.

x) Income from investment and paid program/Professional share /Service Charges from hostel of following unit directly transferred to TDF & Building Funds instead of showing in income and expenditure A/c and by this amount income is understated.

Paid Program	Interest on	Service Charges	
Share	investments	From Hostel	
10,86,250.00	1,41,310.00	15,89,501.00	

Further a sum of Rs.15,15,216.00 is debited to TDF on account of salary, GST and assets purchased and by this amount expenditure is understated. MBA Fee not accounted on accrual basis. Amount due not made available and satisfactory record for such income not maintained.

- xi) Contractual Faculty attendance register have not maintained properly.
- xii) Provision for House Tax Liability

Rs. 84,32,896.00 is demanded by Lucknow Development Agency. Correct amount not yet settled. No provision made for such liability, It may impact the true and correctness of the accounts.

- year wise datails not provided to us. TDS is in mess and adjustment entries should be made and only receivable as on 31st March, 2019 should be shown outstanding.
- xiv) Form 26 AS not provided to us, hence we can not comment whether all TDS has been accounted or not..

- Scholarship fund of Rs.1,36,588.00 is shown as liabilities instead of fund hence fund is understated and liabilities is overstated. No transactions during the year.
- NCCT but this practice is against the Income Tax Act/Accounting rule and this practice understated the profit of current year.

MBA P	rofit	Professional	Interest	On	Service
Share		Share	FDR		Charges
			•		From Hostel
5,87,009.50		Nill	Detail	of	
			interest	not	
			provided	for	
			verificat	ion	

Interest on investment not accounted for , amount , detail of interest earned not provided , hence we can not comment on its correctness.

Interest due and accrued on investment :- Proper details of interest due on investment not made, detail verification is required to ascertained the correct picture . We can not comment whether interest due on investment has been accounted for or not.

- viii) Other deposits (Caution money) Rs.10,51,800.00 show as liabilities but
- xvii) Advance given to external faculty Rs. 10,000.00,as per rule any external staff but not eligible for advance.

xviii) MESS FUND :-

a) ICM has Opened a separate mess fund account but accounts for the financial year 2018- 19 not given for our verification.

- b) Ration is purchased without following proper procedure, even purchase bills not signed by the seller.
- 2018but debited in the month of June 2018. These seems to be suspicious, as why amount was not claumed. Cash payment made in Feb. and March 2018 but claimed in June 2018. No GST number, no serial number. All bills seems to be bogus. We suggest proper verification should be done as there is scope for leakage.
- d) Bills for purchase of vegetables are on plain paper, no authenticity, no address of seller or signatures, no shop details, no rubber stamp. Rate very. No procedure for purchase. Record of inward and consumption not satisfactory, issue of material not there. It requires deep verification.
- e) Purchase of consumables:- It was seem that curd was purchase one day on different rate, other day on higher rate, next day on lower rate, but no explanation given for such variation.
- f) It needs special; verification as there is scope for revenue leakage in mess operations. Internal procedure for purchase and maintenance of consumption records not satisfactory.
- g) Rates charged from participants very. No uniform policy.
- h) Heavy amount transferred on last days of March, 2019, needs proper verification.

Auditorium rate not fixed

RICM, Bangalore

basis for recognizing, measuring and disclosing of various items of income and expenses, assets and liabilities but the Institute is found following hybrid form of accounting which contains cash basis as well as accrual system simultaneously in some cases.

ii) CAPITAL FUND

Capital Fund of Rs. 4,77,23,883.23 shown in the Balance Sheet having adjustment entry of Depreciation amounting Rs. 27,47,732.91. As a policy of the NCCT-HO, depreciation charged is credited to Income & Expenditure account.

iii) BUILDING FUND

Building Fund of Rs. 2,82,37,982.00 (Net Balance) shown in the Schedule - 3 does not represent a correct Picture as income on account of Rent from hostel and other facilities is directly credited to Building Fund of Rs.31,17,834.00 without routing it to Income & Expenditure Account. Further Other Expenses of Rs. 9,49,449.50 is debited to Building Fund and to that extent expenditure is understated.

iv) TRAINING & DEVELOPMENT FUND

Training & Development Fund is debited by different nature of entries like Payment made to KSCOOP APEX BANK LIMITED of Rs. 21,600.00, Pay & Allowances of Rs. 10,99,046.00, TDS Default Payment of Rs. 2,39,458.00, Training Program Fees of Rs. 6,720.00. without debiting to correct head. Hence we can not comment on its correctness.

- v) The NCCT has appointed a firm of Chartered Accountant as a Concurrent Auditor for the Financial Year 2018-2019 and we have relied on their Concurrent Year Report while conducting Statutory Audit of the Unit. Concurrent Auditors refused to attest the accounts.
- vi) Physical Verification of Library Books and Stationary: Physical Verification Report of Library Books and Stationary are made available but we are not able to comment on safeguard against lost or theft of books and procedure

for recovery in the case of lost or theft as there is some books was missing in the report.

- vii) The Current Assets and Current Liabilities are subject to confirmation from parties. It has been observed that party wise ledgers have not been maintained for all Creditors / Debtors with Exception of Few. There has been no external confirmation statement available from parties.
- viii) During the year it was observed that all bank charges and Water and Electricity charges are accounted as Miscellaneous Expenses and it is explained to us that this system is followed as per the suggestions and requirements of NCCT.
- ix) On Scrutiny of the Balance Sheet we observed that the balance lying in the Account head "Other Current Assets" like B.COM Affiliation Fees of Rs. 74,264.00, Electricity Deposit of Rs. 2,92,428.00, Interest Receivable on FD of Rs. 3,80,650.00, KICM Evaluation Receivable of Rs. 35,065.00, Luxury Tax Registration Fees of Rs. 25,000.00, Receivable from Sandhya Caters of Rs. 1,500.00, TDS from KICM OF Rs. 40,527.00. In this regards it has been explained by the officials of Institute that such balance pertaining to Very Old Period so we are of the opinion that the necessary action has to be taken by the management either to get it resolved after roll back over the earlier years or to square up such amount after getting the necessary approval from NCCT. Hence we can not comment on the correctness of current assets and current liabilities in the absence of confirmation from parties.
- NON Verification of the Balance Sheet, we found that the amount of Rs. 13,19,221.00 relates to Refund From Service Tax Department which had been pre deposited in terms of Section 35F of the Central Excise Act, 1944 with O/O Assistant Commissioner of Central Tax has already been received but it is showing under the head Other Current Liability. This indicates that some wrong entry took place during the earlier year. Management should look into the matter and justify a reason for the same. If the Account exists

- xi) We Noticed that as well as informed by the Competent Authority that the Institute is maintaining Sufficient balance of FDR's in the bank but on such amount the Bank had not deducted any amount of TDS on the interest amount which violates the provision of income Tax Act, 1961. Also, It is not clear that whether the amount of interest credited pertains to the net of TDS or it is a gross amount of Interest. Copy of 26 AS not given, hence we can not comment on the amount of TDS and amount recoverable from NCCT-HO.
- xii) Provident Fund Contribution deducted from employees is transferred to NCCT Delhi for payment. Payments are made in NCCT Delhi on behalf of the Institute. We were unable to verify the payment details. During the Audit it was observed that PF is not being deducted and paid in respect of Contingent Staff. It is suggested to examine the applicability of PF Provisions in respect of contingent Staff and take necessary action.
- xiii) As per Provisions of the Income Tax Act, 1961 tax has to be deducted source on Professional Charges paid to an Individual if the total payment made during the year exceeds of Rs. 30,000. The RICM is deducting TDS below Rs. 30,000.00 on account of payment made to Guest Faculties for their Professional Services. Further It was observed that the Management has aggregated the GST amount while calculating TDS to be deducted. GST portion of the amount has to be excluded while calculating Tax to be deducted at Source.

xiv) MESS OPERATION

During the Audit it is observed that the Institute has given contract for Mess operations. Food Bill should be prepared with the help of Actual Participants attendance sheet. In some cases bill is charged for higher number of persons and not according to actual participants. NCCT should form a uniform policy in this regard as there may be possibility of Revenue Leaka

- xv) NCCT should conduct a training Course like Basic Tally & GST Training, Training about Income Tax Provisions, TDS Applicability, TDS Rates, GST Return, Payroll Management, Basic Business Essentials in Tally ERP 9 in their units to train their Accountant and administrative staffs so that Accounting and Statutory compliance mistake can be reduce and Future Liability can be Avoid. It is observed that account staff are not aware of number of provisions and accounting system. Proper training should be given to account staff.
- Xvi) During the Audit it is explained to us by the RICM Officials that the Ex-Chairman of Management Committee Mr. B. s. Vishwanathan is creating dispute and disturbing the RICM in so many ways. He has formed a-parallel institute in same name with ulterior motives. All the stakeholders of the RICM are suffering and business and growth of the unit has been stopped. The NCCT-Ho should take appropriate action to stop such illegal activities. Civil suit is pending between the parties.

xvii) Payment from NIRB

The institute has received one time grant/ amount of Rs, 50,00,000.00 in lieu of construction of one wing for NIRB to be used till 31st December, 2019.. This amount is not repayable, but is shown in liability. Appropriate entries should be passed. In our opinion liabilities are overstated by this amount. Agreement with NIRB is going to expire on 31st December 2019

but no notice for eviction served on NIRM. A proper and timely action is suggested to avoid further litigation.

xviii) ICM received a sum of Rs. 10,00,000.00 from Apex bank on account of transfer of some portion of land. The amount is not repayable but still is being shown in liability. A proper book entry should be passed.

xix) FEE RECEIVABLE

Fee from paid programs is accounted on receipt basis. No entries made for fee receivable. It is very serious matter and leave scope for revenue leakage. Proper record for fee not received should be prepared and entries for such fee receivable should be made in financial books. By such amount income and sundry debtors are understated.

ICM, BHOPAL

- basis for recognizing, measuring and disclosing of various items of income and expenses, assets and liabilities but the Institute is found following hybrid form of accounting which contains cash basis as well as accrual system simultaneously in some cases.
- As per the Circular No 4-18/RES/F&A/2015-2016 dated 28/01/2016 available, The Institute can retain 50 % of the Surplus from the Entire Programme and 50 % is to be transferred to NCCT Head Quarters Accordingly 50% of total Surplus generated through paid programme is directly credited to Training Development Fund and 50% to NCCT. The Institute has not established any measure to evaluate the operating result regularly in order to fix the amount to be transferred to the NCCT Head Quarters.

- iii) Capital Fund of Rs. 39,78,840.61 shown in the Balance Sheet does not represent a correct balance as an adjustment entry of Rs. 77,002.00 related to reversal of excess provision made and Depreciation amounting Rs. 3,66,059.00 from Capital Fund. This adjustment entry belongs to Excess Provision Made on DGR Programme and directly debited to Capital Fund. However Approval from Concerned Department has been produced to us for verification but it is suggested that the matter should be reported to Head Office also for a good and healthy practice. Further Expenditure of Rs. 3,34,115.00 related to Purchase of Fixed Assets is Directly credited to Capital Fund.
- iv) Building Fund of Rs. 17,39,842.55 shown in the Balance Sheet does not represent a correct balance as Service Charges Recovered (Hostel Rent) of Rs. 60,165.00 is directly credited to building fund without routed through Income & Expenditure account.
- represent a correct balance as payment for salaries, wages and allowances of Rs. 8,63,602.00 and Payment for Assets Purchase total amounting of Rs. 3,52,500.00 are directly Debited to Training Development Fund. Further Surplus of Training Programme of Rs. 20,65,950.55 and Income from Investment of Rs. 3,30,816 are directly Credited to Training Development Fund. By these amounts Income and expenditure are understated.
- vi) The NCCT has appointed a firm of Chartered Accountant as a Concurrent Auditor for the Financial Year 2018-2019 and we have relied on their Concurrent Year Report while conducting Statutory Audit of the Unit.
- vii) Physical Verification of Library Books and Stationary: Physical Verification Report of Library Books and Stationary are made available but we are not

able to comment on safeguard against lost or theft of books and procedure for recovery in the case of lost or theft as there is some books was missing in the report.

- viii) The Current Assets and Current Liabilities are subject to confirmation from parties. It has been observed that party wise ledgers have not been maintained for all Creditors / Debtors with Exception of Few. There has been no external confirmation statement available from parties.
- ix) Institute should maintain Separate Bill Register to keep an Audit trail of bills raised as and when program are scheduled / held, Advances received against them and final payment received.
- x) There should be reconciliation statement with respect to transaction done with Head Office. There should be quarterly reconciliation system so that remittance from NCCT A/c is accurate all the time.
- During the Audit It is noticed that the unit has paid of Rs. 14,72,837.00/- on account of deposit of due Service Tax for the period from 2013-2014 to 2017-2018 along with Rs. 8,37,074.00 as deposit of interest and Rs. 2,20,926.00 as penalty. Further the Institute has paid Rs. 4,62,540.00 as GST on Paid Programme Fees and Hostel Rent @ 18 %. Despite of repeated audit observation about applicability of Service Tax and Imposition of GST Liability, the Policy maker of the Institute had ignored resulting in payment of huge fine and loss as it cannot recovered. It is the responsibility of the Head Office, with the oversight of those charged with governance, to ensure that all the Unit's operations are conducted in accordance with the

provisions of laws and regulations, including compliance with the provisions of laws and regulations that determine the reported amounts and disclosures in all the unit's financial statements.

- xii) Receipt and Payment Account is not prepared on cash basis.
- xiii) The Unit has earned interest on FDR. Bank Certificate and TDS Certificate in the form of FORM 16 or 26 AS not produced to us regarding the confirmation.
- xiv) During the Audit it is observed that the Institute has given contract for Mess for Contractor Namely Dhansara Sharma. The Only authority who will decide to give Mess Contract is "MESS COMMITTEE" on the basis of quotations received from various Food Contractors. The Institute Has failed to produce us Mess Committee Order, MOU between ICM and Present Mess Contractor, Details of Quotations Called from other Contractors. Further No Rate is fixed for Meal Charges. It is suggested that Mess Committee should be formed and all the documents should keep up to date. Uniform mess policy should be framed at head office level.
- xv) It is suggested to make day to day bank reconciliation as Several long outstanding transactions persisting in the BRS whose justifications were not available by the Institute have been reversed by the Institute. Bank reconciliation should be prepared on regular basis.
- xvi) On Scrutiny of the Trial Balance we observed that the balance lying in the Account head "Other Current Assets" was on consolidated manner without any bifurcation in the name of various other accounts. In this regards it has been explained by the officials of Institute that such balance pertaining to Very Old Period so we are of the opinion that the necessary action has to be taken by the management either to get it resolved after roll back over the

earlier years or to square up such amount after getting the necessary approval from NCCT.

- xvii)On Verification of the Trial Balance, we found that the amount of Rs. 1905/pertains to very long period and the name of person/employee was not
 available with the competent authority. In this regards, we are of the opinion
 that such amount should be adjusted in current year and should square off
 the account.
- "Dr." but here the closing balance arrived in Credit. This shows that the amount had been recovered by the organization from various staff members without giving any Actual Advance to the respective employees / staff which is not practical. This indicates that some wrong transactions took place during the earlier years. Management should look into the matter and justify a reason for the same. If the Account exists without any base, then the management should nullify the account after due permissions / approvals from Concerned Authorities.
- xix) Fee Receivable (Old): Rs. 71,393 Dr.:- On verification of ledger account, we noticed that the amount is receivable in form of fees from the various Organizations but the necessary details were not furnished for our verification. It has been informed by the Competent Person that such recoverable amount pertains to very old period. We can not confirm its recoverability.
- xx) Unknown RTGS of Rs. 1,28,270.00 Cr. :- On Verification of the Trial Balance, we found the amount pertains to very long period. No Proper explanation had been furnished by the Concerned Officials. The management should look after the matter and should resolve the matter as earlier as possible.

- xxi) On verification of the Trial Balance we have found that Institute had given some amount of Advance to the Mess Contractor amounting to Rs. 10,000/which is classified under under the Current Assets but the relevant and necessary details are not available from how long period it is outstanding in the accounts of the Institute.
- xxii)Other Current Liability of Rs. 3,87,220.00 Cr.:- In this reference, No satisfactory explanation had been furnished by the Competent Authority as it relates to very old period. The management should look after the matter and should resolve the matter as earlier as possible.
- xxiii) We Noticed that as well as informed by the Competent Authority that the Institute is maintaining Sufficient balance of FDR's in the bank but on such amount the Bank had not deducted any amount of TDS on the interest amount which violates the provision of Income Tax Act, 1961. Also, It is not clear that whether the amount of interest credited pertains to the net of TDS or it is a gross amount of Interest.

MICM, BHUBANESWAR

basis for recognizing, measuring and disclosing of various items of income and expenses, assets and liabilities but the Institute is found following hybrid form of accounting which contains cash basis as well as accrual system simultaneously in some cases.

- During the Audit it is observed that no rate is fixed for Meal Charges. On Sample Verification conducted by us it is found that different rates are charged from Participants of different progamme. From Bill Copy, it was observed Higher number of participants is shown against actual number and higher amount is charged by the mess cook by inflating the bill. The Present Practice Adopting by the MICM is against the policy and guidelines issued by the NCCT. There is no internal control at all. There is large variation in the rates.
- old Balances are still appearing in the Balance are brought forward since long need to be adjusted / cleared immediately like Recovery made from Mr. R.N. Sahoo, Ex-Employee of the Institute for Rs. 1,79,625/- against shortage of Fixed Assets during the tenure of his office has been kept unadjusted till date. Fixed Assets is over stated to that extent.
- v) During the audit it is observed that an LDC Employee Namely Deepti Mohanti is claiming HRA since 2008 with the help of MICM Director. As per rule HRA is not admissible if her husband has been allotted

accommodation at the same station by the Central Government, State Government, An Autonomous Public Undertaking or Semi – Government Organization where she resides. She is living with husband who has been allotted 3 Bed Room Class – 1 Quarter, also earning rental income from her quarter. Despite this she is claiming from MICM in the name of HRA and it seems like Director is supporting her.

- vi) The MICM is showing Other Current Liability amounting Rs. 2,55,97,329.50 under the head Current Liabilities & Provisions in the Balance Sheet which Consists Fixed Assets Shortage Recovery amounting Rs. 1,79,625.00, GST Liability amounting Rs. 3,08,580.50, NCCT Fund (Repair / Renovation) amounting Rs. 1,20,000,00, RKVY (Infrastructural Development Fund) amounting Rs. 1,28,76,000.00. These are old balance and subject to verification. Further Centre Charges received from BPUT for Rs. 58,070 payable to staff for their supervision work kept undisbursed till yet and shown under Current Liabilities as on the Audit. An early action for disbursement is suggested. These are subject to verification and confirmation.
- There are very old balance showing under the head Current Assets, Loans and Advances like Amount recoverable from CPWD amounting Rs. 1,73,000.00, Security Deposit amounting Rs. 2,500, LAMPCS Training Programme Receivable amounting Rs. 86,966.42, TDS On Investment amounting Rs. 3,197.00. In this regards it has been explained by the officials of Institute that such balance pertaining to Very Old Period so we are of the opinion that the necessary action has to be taken by the management either to get it resolved after roll back over the earlier years or to square up such amount after getting the necessary approval from NCCT. We can not certify their correctness.
- viii) The MICM is showing Capital Work in Progress amounting R_S. 2,46,31,000.00 under the head assets side of Balance Sheet which consist R_S

1,04,02,000 belong to Executive Engineer PWD (R & B) and Executive Engineer PHD (BBSR) amounting Rs. 1,42,29,000.00 toward repair and renovation of Civil & Electrical Works. It is subject to verification. Work done certificate may be obtained from the respective department to assess the quantum of works completed by them.

- In comparison to the Previous year, Expenditure on Repair & Renewals and Repair & Maintenance (Building) seems to be higher. Further on sample verification conducted by us Purchase Procedure is not following by the MICM. No Purchase Requisition, No Quotation Called, Even Tax Invoice is not collected with GST Number from the concerned vendor. As per information gathered, Campus Supervisor is involved in personal benefits.
- x) Provision for Salary to contingent Staff and Payment to Guest Lecture should not be made where the amount is not certain.
- vi) "Other Current Liabilities" include amount received from Blazer, Pre-Placement fee and Seminar Fee which are non refundable and unspent balance under these heads are to be shown and transferred to (Specific) earmark Fund account instead of keeping the same under the Other Current Liabilities.
- xii) As per the Circular No 4-18/RES/F&A/2015-2016 dated 28/01/2016 available, The Institute can retain 50 % of the Surplus from the Entire Programme and 50 % is to be transferred to NCCT Head Quarters Accordingly 50% of total Surplus amounting Rs. 16,42,669.04 generated through paid programme is credited to Training Development Fund and 50% to NCCT.

- Riii) Building Fund of Rs. 1,03,61,892.20 shown in the Balance Sheet does not represent a correct balance as Accrued Interest Reversed for the Financial Year 2017-2018 amounting Rs. 1,09,530.00 is transferred to building fund to match the closing balance of FDR as on 31/03/2019. Further Income from Investment made on account of funds amounting Rs. 1,30,981.00 is directly credited to building fund. Further Service Charges (General & MBA) of Rs. 11,66,060.00 is directly credited to building fund without routed through Income & Expenditure account and to that extent income is understated.
- represent a correct balance as payment of 7th CPC Arrears of Rs. 12,09,750.00, Payment for Administrative Expenses amounting 1,89,434.00 and Payment for Assets Purchase of Rs. 2,17,772.00 are directly Debited to Training Development Fund. Further Surplus of Training Programme of Rs. 8,21,334.04 is Credited to Training Development Fund.
- The NCCT has appointed a firm of Chartered Accountant as a Concurrent Auditor for the Financial Year 2018-2019 and we have relied on their Concurrent Year Report while conducting Statutory Audit of the Unit. The concurrent Auditors are required to verify day to day transactions.
- Physical Verification of Fixed Assets: It is strongly suggested that the Institute should develop a system of unique reference numbering or coding on each fixed assets and the location of the assets where it's lying, Control over identifying, recording, storing and disposal of assets retired from its active use should be done more effectively. Ensure that

all assets are safeguarded against damage or theft.

xvii) Physical Verification of Library Books and Stationary: Physical Verification Report of Library Books and Stationary are made available but we are not able to comment on safeguard against lost or theft of books and procedure for recovery in the case of lost or theft.

- Rs. 12,05,099.00. This amount belongs to previous year and old in nature so it is subject to verification. Institute should maintain Separate Bill Register to keep an Audit trail of bills raised as and when program are scheduled / held, Advances received against them and final payment received. These balances are subject to confirmation.
- During the Audit It is noticed that the unit has paid of Rs. 30,34,138.00/- on account of deposit of due Service Tax for the period from 2014-2015 to 2017-2018 along with Rs. 7,56,388 as deposit of interest and Rs. 2,97,098 .00 as deposit of Penalty. Further the Institute has paid Rs. 1,89,434 GST plus Rs. 44,204 as interest on Paid Programme Fees and Hostel Rent @ 18 %. Despite of repeated audit observation about applicability of Service Tax and Imposition of GST Liability, the Policy maker of the Institute had ignored resulting in payment of huge fine and loss as it cannot recovered. Accountability should be fixed.

The Unit has earned interest on FDR. Bank Certificate and TDS Certificate in the form of FORM 16 or 26 AS not produced to us regarding the confirmation.

RICM, CHANDIGARH

The Commonly prevailing basis of accounting are either cash or accrual basis for recognizing, measuring and disclosing of various items of income and expenses, assets and liabilities but the Institute is found following hybrid form of accounting which contains cash basis as well as accrual system simultaneously in some cases.

- xxi) Income and Expenses are to be classified and accounted according to their nature and then only the Financial Statement can be prepared in order to give more information to the users otherwise the decision taken based on these reporting would be arbitrary.
 - But in many situations the Institute accounted many income and expenditure in Common heads eg,
- a) All the fees received from regular course as well as from paid programmes have been accounted under a common head "Fees & Academic Receipts (PP)". in our opinion paid programme and other receipts should be shown separately.
- All the expenditures in connection with programmes other than Boarding & Lodging, Course Materials, Stationary, Travelling and Honorarium to Faculties are accounted under a common head "Other Expenses (PP)" and it result to become the major item of expenditure under the group "Expenditure on Paid Programme (PP)".
 - It is suggested that the expenditure should be classified and recorded as per its nature so that comparative could be done..
- As per the detailed Annexure provided by the Institute, per day rate per participants for meal as well hostel rent should also be mentioned in the annexure. Further Other Charges received and Other Programme Expenses should be removed and instead appropriate heads should be mentioned in the respective columns.
- available, The Institute can retain 50 % of the Surplus from the Entire Programme and 50 % is to be transferred to NCCT Head Quarters Accordingly 50% of total Surplus amounting Rs. 1,04,04,007.18 generated through paid programme is directly credited to Training Development Fund and 50% to NCCT.

- capital Fund of Rs. 1,42,54,938.54 shown in the Balance Sheet does not represent a correct balance as Assets Purchase amounting Rs. 9,02,066.59 and Amount Receivable from PGDM amounting Rs. 18,80,442.18 are directly credited to Capital Fund. Further Depreciation amounting Rs. 12,44,206.12 is directly debited to Capital Fund without routed through Income & Expenditure account. NCCT should frame a policy, specifically directing which item will be accounted in the Capital fund.
- xxiv) Building Fund of Rs. 31,61,029.58 shown in the Balance Sheet does not represent a correct picture. Payment made for other expenses of Rs. 6,581/- is debited to Building Fund and Service Charges from Auditorium of Rs. 12,40,452.00 is directly credited to building fund without routed through Income & Expenditure account and to that extent expenditure and income is understated.
- Training Fund of Rs. 43,89,457.54 shown in the Balance Sheet do not represent a correct position. Income from Investment of Rs. 3,73,136.00, Court Fees from PGDM of Rs. 5,66,140.00, 21st HDCM (C) for the year 2018-2019 of Rs. 52,02,003.54, Last year Accrued Interest of Rs. 1,24,578.00 are directly transferred to Training Development Fund without routed through Income & expenditure account. This practice is not acceptable as per Income tax Act / Accounting rules as it understates the current year profit. Further Fixed assets purchased amounting to Rs 8,97,381.00 and Salary, wages and allowances of Rs. 35,70,304.41.00 are debited to Training Development Fund.
- xxvi) Institute having current bank account with PSCB of Rs. 6,345.91 showing in the Balance Sheet under the head Current Assets, Loans, Advances etc but failed to produce us bank Certificate indicating closing bank balance as on 31/03/2019 for our verification. Hence we can not comment on the correctness of bank balance.

- xxvii) The NCCT has appointed a firm of Chartered Accountant as a Concurrent Auditor for the Financial Year 2018-2019 and we have relied on their Concurrent Year Report while conducting Statutory Audit of the Unit.
- xxviii) Physical Verification of Fixed Assets: It is strongly suggested that the Institute should develop a system of unique reference numbering or coding on each fixed assets and the location of the assets where it's lying, Control over identifying, recording, storing and disposal of assets retired from its active use should be done more effectively. Ensure that all assets are safeguarded against damage or theft.
- Verification Report of Library Books: Due to Non availability of Physical Verification Report of Library Books we are not able to comment on safeguard against lost or theft of books and procedure for recovery in the case of lost or theft.
- An amount of Rs. 14,944/- Recoverable from NCUI made pertaining for more than one year not seen settled so far. The Institute should make an attempt to recover the same. Further an amount of Rs. 2,098/- TTA Advance made pertaining to last year not seen settled so far. Instead of showing it under the head Current Assets, Institute is showing it under the head current liability. The Institute should make an attempt to recover the same from his salary or otherwise. Further Paid Programme Fees Recoverable amounting Rs. 3,46,152.00 is subject to verification as it's an adjustment entry for many years of programme which are not closed in 2018-2019 and taken forward for the year 2019-2020.

- xxxi) No confirmation obtained in case of Current assets and current liabilities.
- xxxii) Institute should maintain Separate Bill Register to keep an Audit trail of bills raised as and when program are scheduled / held, Advances received against them and final payment received.
- xxxiii) There should be reconciliation statement with respect to transaction done with Head Office. There should be quarterly reconciliation system so that remittance from NCCT A/c is accurate all the time.
- xxxiv) During the Audit It is noticed that the unit has paid of Rs. 25,67,847/- on account of deposit of due Service Tax for the period from 2013-2014 to 2016-2017 along with Rs. 23,52,978.00 as deposit of penalty and interest. Further the Institute has paid Rs. 27,58,006.00 as GST on Paid Programme Fees and Hostel Rent @ 18 %. Despite of repeated audit observation about applicability of Service Tax and Imposition of GST Liability, the Policy maker of the Institute had ignored resulting in payment of huge fine and loss as it cannot recovered. It is the responsibility of the Head Office, with the oversight of those charged with governance, to ensure that all the Unit's operations are conducted in accordance with the provisions of laws and regulations, including compliance with the provisions of laws and regulations that determine the reported amounts and disclosures in all the unit's financial statements.
- xxxv) Receipt and Payment Account is not proper as it is not prepared on Cash basis.
- xxxvi) The Unit has earned interest on FDR. Bank Certificate produced to us for reconciliation and confirmation. As per the Account Department TDS has not been deducted by the bank but TDS Certificate in the form of FORM 16 or 26 AS not produced to us regarding the confirmation.

xxxvii)Cash in hand of Rs. 9,413.00 is showing under the head Current Assets, Loans, Advances but Unit has failed to produce us Cash Book Register for our verification.

xxxviii) MESS OPERATIONS

The NCCT- HO should frame a uniform policy for mess activities i.e appointment of mess contractor, rates, menu and record for charging to the institute. It is important to mention that there is a scope for revenue leakage.

URICM, GANDHINAGAR

- i) The Commonly prevailing basis of accounting are either cash or accrual basis for recognizing, measuring and disclosing of various items of income and expenses, assets and liabilities but the Institute is found following hybrid form of accounting which contains cash basis as well as accrual system simultaneously in some cases.
- available, The Institute can retain 50 % of the Surplus from the Entire paid Programme and 50 % is to be transferred to NCCT Head Office. Accordingly 50% of total Surplus generated through paid programme is credited to Training Development Fund and 50% to NCCT- HO. The Institute has not established any measure to evaluate the operating result regularly in order to fix the amount to be transferred to the NCCT Head Quarters.
- Building Fund of Rs. 1,18,54,954.24 shown in the Balance Sheet does not represent a correct balance as Service Charge Recovered total amounting Rs. 23,92,260.24 is credited to building fund. Further Payment of Salaries, Wages and allowances etc amounting Rs. 24,000 is debited to Building Fund. By these amounts Income & Expenditure are understated.

- Training Development Fund of Rs. 1,35,18,549.00 shown in the Balance Sheet do not represent a correct balance as Surplus from paid program Amounting Rs. 16,53,792 plus Income from investment made on account of Funds amounting Rs. 7,57,425.00 are directly credited to TDF. Further Payment for Assets Purchase total amounting of Rs. 15,11,427.00 and Payment for salary and wages amounting Rs. 15,41,371.00 are directly Debited to Training Development Fund. Income is understated by Rs.7,57,425.00 and expenditure is understated by Rs.15,41,371.00
- v) There is a fund shown in schedule 3 Namely "Other Fund " which is very old in nature and has opening balance of Rs. 1,65,928.87. Purpose of this fund not explained to us.
- vi) The NCCT has appointed a firm of Chartered Accountant as a Concurrent Auditor for the Financial Year 2018-2019 and we have relied on their Concurrent Year Report while conducting Statutory Audit of the Unit, as concurrent auditors are to verify the transactions on day to day basis.
- Physical Verification of Library Books and Stationary: Physical Verification Report of Library Books and Stationary are made available but we are not able to comment on safeguard against lost or theft of books and procedure followed for verification and procedure for recovery in the case of lost or theft.
- viii) Physical Verification of Fixed Assets: It is strongly suggested that the Institute should develop a system of unique reference numbering or coding on each fixed assets and the location of the assets where it's lying, Control over identifying, recording, storing and disposal of assets retired from its active use should be done more effectively. Ensure that all assets are safeguarded against damage or theft.

- The Authority to issue cheques and make accounting entries is with same person. Thus Authority should be delegated to different Employee so that work of one person will be checked by another and good Internal Control will be established.
- x) The Amount of GST Credit should be separately mentioned in Accounts. We Suggest to segregate the amount of GST Credit instead of Including in expenses and to show as GST Receivable separately. Actual Entry Passed In Books of Account:

- xii) The Current Assets and Current Liabilities are subject to confirmation from parties. It has been observed that party wise ledgers have not been maintained for all Creditors / Debtors with Exception of Few. There has been no external confirmation statement available from parties.
- xiii) There is a huge amount received Against Training Program amounting Rs. 22,00,000.00. It is subject to verification. Institute should maintain Separate Bill Register to keep an Audit trail of bills raised as and when program are

scheduled / held, Advances received against them and final payment received.

- xiv) There should be reconciliation statement with respect to transaction done with Head Office. There should be quarterly reconciliation system so that remittance from NCCT A/c is accurate all the time.
- Note: No property and Receipt Book is done by a single person. He is also in charge of collection of receipts. Further Hostel Register is not properly maintained. We suggest delegating responsibilities among two or more persons as a checker so that Internal Control can be maintain and no case of Fraud can be seen in future.
- xvi) There is huge amount receivable from very long period towards TDS from NCCT amounting Rs. 25,91,516 /- (of URICM) and Rs. 1,10,818/- (of PGDM Course) . appropriate entries should be passed
- During the Audit It is noticed that the unit has paid of Rs. 49,38,307.00/- on account of deposit of due Service Tax for the period from 01/04/2013 to 30/06/2017 along with Rs. 7,40,746 as deposit of penalty and Rs. 35,34,763.00 as Payment of interest. Further the Institute has paid Rs. 88,000.00 as GST on Paid Program Fees and Hostel Rent @ 18 %. Despite of repeated audit observation about applicability of Service Tax and Imposition of GST Liability, the Policy maker of the Institute had ignored resulting in payment of huge fine and loss as it cannot recover. It is suggested that accountability should be fixed for such huge loss to the organization and appropriate action should be initiated.

- xviii) Receipt and Payment Account is not prepared on cash basis.
- xix) The Unit has earned interest on FDR. Bank Certificate and TDS Certificate in the form of Form 16 or 26 AS not produced to us regarding the confirmation hence we cannot comment on correctness of the TDS Outstanding.
- During the audit it is observed that No GST is Charged and paid on Hostel Rental Income by the URICM. As per explanation given by the management, GST is not applicable if rent is below Rs. 1000/-. As URICM has been paid GST Arrear for many years along with Service Tax as a Fine So proper guidance should be Obtained to Avoid Future Liability.

xxi) MESS OPERATIONS:-

The NCCT-HO should frame a uniform policy for operation and allotment of mess contract. At present uniform system not being followed and there is scope for leakjage.

ICM, GUWAHATI

i) The Commonly prevailing basis of accounting are either cash or accrual basis for recognizing, measuring and disclosing of various items of income and expenses, assets and liabilities but the Institute is found following hybrid form of accounting which contains cash basis as well as accrual system simultaneously in some cases.

- ii) Capital Fund of Rs. 2,33,57,539.04 shown in the Balance Sheet does not represent a correct balance as loss amounting to Rs. 16,71,670.96 is deducted from Capital Fund. Generally depreciation is deducted from Capital Fund as per Accounting Policy adopted by the NCCT. Further Assets Purchase amounting Rs. 17,500 debited to TDF but not Credited to Capital Find. The Management has no explanation about this entry.
- represent a correct balance as payment for salaries, wages and allowances of Rs. 4,64,281.50 and Payment for Assets Purchase total amounting of Rs. 17,500.00 plus Rs. 812.00 of other expenses are directly Debited to Training Development Fund. Further Income from Investment of Rs. 3,68,516 are directly Credited to Training Development Fund.By these amounts income and expenses are understated.
- The NCCT has appointed a firm of Chartered Accountant as a Concurrent Auditor for the Financial Year 2018-2019 and we have relied on their Concurrent Year Report while conducting Statutory Audit of the Unit. On Scrutiny of the Trial Balance we observed that there is a difference in Trial Balance of Rs. 16,477.which was not explained.
- Physical Verification of Fixed Assets: It is strongly suggested that the Institute should develop a system of unique reference numbering or coding on each fixed assets and the location of the assets where it's lying, Control over identifying, recording, storing and disposal of assets retired from its active use should be done more effectively. Ensure that

- vi) Physical Verification of Library Books and Stationary: Physical Verification Report of Library Books and Stationary are made available but we are not able to comment on safeguard against lost or theft of books and procedure for recovery in the case of lost or theft.
- vii) The Current Assets and Current Liabilities are subject to confirmation from parties. It has been observed that party wise ledgers have not been maintained for all Creditors / Debtors with Exception of Few. There has been no external confirmation statement available from parties.
- viii) In Schedule 3, There is a fund showing namely LDP PROGRAME FUND amounting Rs. 82,570.00 (Opening Balance) which belongs to Financial Year 2016-2017. Programe Fees received but Program could not be conducted by the ICM and Balance is still outstanding. In addition Rs. 25,800 as expenditure deducted from that balance for adjustment entry for earlier wrong entry passed. It's a old fund and subject to verification.
- ix) In Schedule 3, There is a fund showing namely ICM HOSTEL CONSTRUCTION FUND received from NEC Shilong amounting Rs. 5,49,80,356.50 (Opening Balance) for construction of Hostel But Construction could not be completed hence balance is outstanding. In addition Interest on saving amounting Rs. 22,32,422.00 is directly transferred to that fund. It is advised to earn higher interest, FDR should be made.

- During the Audit It is noticed that the unit has paid of Rs. 11,66,213.00 on account of deposit of due Service Tax for older period along with Rs. 8,52,014.00 as deposit of interest and penalty. Further the Institute has paid Rs. 1,38,196 as GST on Paid Programme Fees and Hostel Rent @ 18 %. Despite of repeated audit observation about applicability of Service Tax and Imposition of GST Liability, the Policy maker of the Institute had ignored resulting in payment of huge fine and loss as it cannot recovered. It is the responsibility of the Head Office, with the oversight of those charged with governance, to ensure that all the Unit's operations are conducted in accordance with the provisions of laws and regulations, including compliance with the provisions of laws and regulations that determine the reported amounts and disclosures in all the unit's financial statements. Accountability should be fixed.
- xi) Receipt and Payment Account is not prepared on cash basis.
- xii) The Unit has earned interest on FDR. Bank Certificate and TDS Certificate in the form of FORM 16 or 26 AS not produced to us regarding the confirmation.
- During the Audit it is observed that the Institute has given mess work for staff on salary basis. The Institute Has failed to produce us Mess Committee Order, MOU between ICM and Present Mess Cook, Details of Quotations Called from other Contractors. Further No Rate is fixed for Meal Charges. It is suggested that Mess Committee should be formed and give mess contract to outsourcing on the basis of quotations and comparative statements and all the documents should

keep up to date. A uniform mess policy should be formulated at head office level applicable to all units.

- xiv) As per information given to us, the Institute had newly taken registration under GST on 10.09.2018 however till date no compliances have been followed in the matters of collecting and Depositing GST as well as filing of Returns. In our opinion, urgent steps should be taken in this regard to avoid future liabilities.
- On Scrutiny of the Trial Balance we observed that the balance lying in the Account head "Current Assets". In this regards it has been explained by the officials of Institute that such balance pertaining to Very Old Period so we are of the opinion that the necessary action has to be taken by the management either to get it resolved after roll back over the earlier years or to square up such amount after getting the necessary approval from NCCT like Old Amount Receivable from ICM Manipur amounting Rs. 94,000.00
- xvi) Further Following advances are recoverable from Employees:

- i) The Commonly prevailing basis of accounting are either cash or accrual basis for recognizing, measuring and disclosing of various items of income and expenses, assets and liabilities but the Institute is found following hybrid form of accounting which contains cash basis as well as accrual system simultaneously in some cases.
- During the Audit it is observed that the Institute has given contract for Mess to his employee's wife. This is itself violation of rule as Institute's staff relative is not eligible to get Mess Contract. The Only authority who will decide to give Mess Contract is "MESS COMMITTEE" on the basis of quotations received from various Food Contractors. The Institute has failed to produce us Mess Committee Order, MOU between ICM and Present Mess Contractor, Details of Quotations Called from other Contractors. This Practice is against policy and guidelines issued by the NCCT. As per information received/ gathered, Mr. Tiknayak is sharing the income with the mess contractor. This is very serious violation and needs special investigation. Further NCCT- HO should frame broad guideline for running the mess. There is scope for leakage of funds. It required immediate attention. The Director ICM informed that now procedure has been started for appointment of mess contractor and procedure is being followed.
- Misc/2019- dated 04/02/2019 regarding Procedure to accord travelling on official tour in all the cases where the approval of NCCT (Hqrs) must be obtained well in advance and in any case before proceeding the tour otherwise case concerned person will have to bear the cost of tour. During the Audit It is noticed that the ICM is not following NCCT's Guidelines & Policies. The Office Superintendent

of ICM Namely Ravindra Tiknayak has visited recently for Kathmandu Tour for Leadership Development Programme without any approval from NCCT Headquarters. There is no need to go there for any other officer except Guest Faculty. The ICM's Director has given permission to him. The practice adopting by the ICM is against Policy and Guidelines issued by the NCCT. Please look into the matter and take necessary action. The Director explained that due to staff shortage and Mr. Tikanayak being well converse with local language has to accompany.

- As per the Circular No 4-18/RES/F&A/2015-2016 dated 28/01/2016 available, the Institute can retain 50 % of the Surplus from the Entire Program and 50 % is to be transferred to NCCT Head Quarters Accordingly 50% of total Surplus amounting Rs. 37,28,344.22 generated through paid programme is directly credited to Training Development Fund and 50% to NCCT.
- v) Building Fund of Rs. 72,63,881.08 shown in the Balance Sheet does not represent a correct balance as payment made for Construction to CPWD of Rs. 6,20,425/-, Advance Fees Refund of Rs. 1,43,116.00 and Payment of Security Guard of Rs. 55,582.00 are debited to Building Fund. Further Service Charges from Hostel of Rs. 3,39,825.00 is directly credited to building fund without routed through Income & Expenditure account. Hence due to this income & expenditure account does not represent a correct position..
- vi) Training Fund of Rs. 1,71,76,832.81 shown in the Balance Sheet do not represent a correct balance as payment of 7th CPC Arrears of Rs. 8,78,695 and Payment for GST Liability for many years of Rs. 13,16,110.00 and Payment for Assets Purchase of Rs. 22,694 are directly Debited to Training Development Fund. Further Surplus of Training Programme of Rs. 18,64,172.11 is Credited to Training

Development Fund. The income for the year 2018-19 is understated and overstated by these amounts. We had been advising since long for service tax liabilities but no action taken and Institute suffered huge loss. Accountability should be fixed. We appreciate the efforts of RICM Director for taking corrective measure in reducing the service tax liability.

- vii) Institute having Current Bank Account with two Banks showing in the Balance Sheet under the head Current Assets, Loans, Advances etc but failed to produce us bank Certificate indicating closing bank balance as on 31/03/2019 for our verification during the Audit. Further Bank Reconciliation Statement has not been prepared by the institute. Hence we can not comment whether bank balance tally with the bank records..
- viii) The NCCT has appointed a firm of Chartered Accountant as a Concurrent Auditor for the Financial Year 2018-2019 for conducting detailed day to day audit and we have relied on their Concurrent audit Report while conducting Statutory Audit of the Unit. Concurrent Auditors has not reported any major or serious irregularities and we have relied on its report while conducting statutory audit of the institute at random basic.
- Physical Verification of Fixed Assets: It is strongly suggested that the Institute should develop a system of unique reference numbering or coding on each fixed assets and the location of the assets where it's lying, Control over identifying, recording, storing and disposal of assets retired from its active use should be done more effectively. Ensure that

all assets are safeguarded against damage or theft. Proper assets register as required is not maintained and physical verification as

per required procedure not done, hence we can not comment whether there is any loss of assets or not.

Physical Verification of Library Books and Stationary: Physical Verification Report of Library Books and Stationary are made available, hence we are not able to comment on safeguard against lost or theft of books and procedure for recovery in the case of lost or theft as there is some books was missing in the report. Proper library register as required is not maintained and physical verification as per required procedure not done, hence we can not comment whether there is any loss of assets or not.

- There is a huge amount receivable from very long period of Rs. 3,41,92,000.00/- Recoverable from Government of Maharashtra made pertaining for more than one year not seen settled so far. Further an amount of Rs. 6,320/- related to Seminar For Fishing made pertaining to last year not seen settled so far. An amount of Rs. 77,408.00 from Financial Assistance Education Fund made pertaining to last year not settled so far in resulting liquidity blockage to the unit and having massive effect on finance management of the unit. The Institute should make an attempt to recover the same.
- xi) No confirmation obtained in case of Current assets and current liabilities. Hence we can not comment on their correctness.
- xii) Institute should maintain Separate Bill Register to keep an Audit trail of bills raised as and when program are scheduled / held, Advances received against them and final payment received.

- xiii) There should be reconciliation statement with respect to transaction done with Head Office. There should be quarterly reconciliation system so that remittance from NCCT A/c is accurate all the time..
- During the Audit It is noticed that the unit has paid of Rs. 2,93,984/on account of deposit of due Service Tax for the period from 20132014 to 2016-2017 along with Rs. 2,30,189.00 as deposit of penalty
 and interest. Further the Institute has paid Rs. 13,16,110.00 as GST on
 Paid Programme Fees and Hostel Rent @ 18 %. Despite of repeated
 audit observation about applicability of Service Tax and Imposition of
 GST Liability, the Policy maker of the Institute had ignored resulting
 in payment of huge fine and loss as it cannot recovered.
- xv) Receipt and Payment Account is not prepared.
- xvi) The Unit has earned interest on FDR. Bank Certificate and TDS Certificate in the form of FORM 16 or 26 AS not produced to us regarding the confirmation for General Account. Hence we can not comment on their accuracy of interest earned and TDS deducted and their accounting treatment.
- xvii) In the case of MBA Division, Schedule 18 (Expenditure on Professional Programmes) details is not prepared properly against Expenditure Claimed on professional Programmes of Rs. 8,18,004.00 therefore it is subject to verification.

 The head office should prepare a uniform mess policy applicable on

The head office should prepare a uniform mess policy applicable on all units. There is strong possibility of revenue leakage in mess accounts.

GENERAL PROGRAM

- i) Depreciation not charged as per income tax schedule. Depreciation charged as per accounting policy of NCCT.
- ii) The current assets and current liabilities are subject to confirmation.
- iii) The accrual concept has not been fully adopted.
- iv) The NCCT- HO has appointed concurrent auditors for each unit for in depth checking of accounts. We have relied on concurrent Audit Report of the unit for the financial year 2018-19, while conducting statutory audit of the institute.
- v) Internal control of fixed assets is very weak. Proper fixed assets records as required not maintained.
- vi) Receipt And Payment A/c is not maintained as per cash basis.
- vii) Physical Verification of fixed assets is not done as per laid down procedure, hence we cannot comment on any loss of fixed assets.
- viii) Service tax deposited by ICM during the financial year 2018-19 Rs. 50,49,804.00 with interest and penalty. This amount have been not recovered from client, it is loss of the organization due to negligence of the work of unit. In spite of observations from Auditors, no action taken. It is suggested that accountability should be fixed and appropriate action should be initiated against the staff responsible for such huge loss to the organization.

- ix) GST Rs.831156.00 deposited by unit in 2019-20, this amount has been not recovered from client, it is loss of the organization due to negligence of the staff. Accountability should be fixed.
- x) External faculty records like agreement copy, attendance records have not properly maintained by unit.
- xi) Program file have not maintained properly like Budget copy, Acceptance letter, bills copy not attached.
- vi) Income from investment and paid program/Professional share /Service

 Charges from hostel of following unit directly transferred to TDF &
 Building Funds instead of showing in income and expenditure A/c and
 then further transferred to NCCT-Head Office per accounting policy
 of NCCT but this practice is against the Income Tax Act/Accounting rule
 and this practice understated the profit of current year.

Paid	Program	Professional	Interest On	Service Charges
Share		Share		From Hostel
24,26,	803.00	Nill	3,48,798.00	6,07,444.00

xix) Three employee engaged in library in 2018-19 but library books record have not maintained and physical verification of books not done. Hence we can not comment if there is any loss due to shortage of books.

ICM, PUNE

i) Depreciation charged as per accounting policy of NCCT and transferred to capital fund. Depreciation not charged as per income tax act and financial impact not calculated.

- ii) Current assets and current liabilities are not confirmed by parties. Few current assets and current liabilities may be not recoverable or payable and may impact the correctness. It is advised that institute should get confirmation from all current assets and current liabilities.
- iii) G S T registration not taken at due date, and institute has to pay Rs.10,35,148.00 from its own sources. It is a net loss to the ICM. Accountability should be fixed and appropriate action should be taken for such huge loss to the Institute.
- iv) The national council for cooperative training has appointed a firm of chartered accountants as concurrent auditors for the financial year 2018-19 and we have relied on their concurrent audit report while conducting statutory audit of the ICM. In our opinion quality of report not satisfactory.
- v) As per instruction given by the ministry of agriculture, additional expenditure due to revised 6th pay commission has to be met out 80% from grant and balance 20% from own resources. Instructions given by the ministry not adhered. And to that extent expenses are understated. Salaries and other Administrative expenses amounting to Rs,12,54,763.00 and Rs. 10,35,148.00 respectively are debited to Training Development Fund and to that extent expenses are understated.

xi) BUILDING FUND

Rs.6,14,466.00 and rs. 89,400.00 income from building is directly credited to Building Fund and to that extent income is understated.

xii) PROFESSIONAL FEE

The ICM appointed concurrent Auditor for calculation of liability on account of service tax and GST with out following procedure. As explained by the management time left for filing the return was very less and no one was willing to take the assignment, hence we had to appoint them but fee is not yet released and we are negotiating with the firm.

xiii) SERVICE TAX

The ICM paid service tax liability of Rs.37,50,140.00 due to not taking in time. Accountability should be fixed for such huge loss to the Institute As it was advise long back by the Auditors.

xiv) MESS Accounts

There is scope for leakage in the procedure adopted for appointment of mess contractor and operation of mess account. It is advised that a proper system should be devised at Head office level which should be followed by all institutes for operation of mess accounts.

Xv) OTHER CURRENT ASSETS

Details not made available for our comments

ICM, IMPHAL

The Commonly prevailing basis of accounting are either cash or accrual basis for recognizing, measuring and disclosing of various items of income and expenses, assets and liabilities but the Institute is found following hybrid form of accounting which contains cash basis as well as accrual system simultaneously in some cases.

- ii) As per the Circular No 4-18/RES/F&A/2015-2016 dated 28/01/2016 available, The Institute can retain 50 % of the Surplus from the Entire paid Programme and 50 % is to be transferred to NCCT Head Quarters Accordingly 50% of total Surplus amounting Rs. 32,73,379.00 generated through paid programme is directly credited to Training Development Fund and 50% to NCCT.
- capital Fund of Rs. 5,30,83,622.36 shown in the Balance Sheet does not represent a correct balance as NCCT Loan amounting Rs. 8,00,000.00 related to building fund Rs. 30,05,411.00adjustment entry not explained, an adjustment entry for assets purchased amounting Rs. 20,096.00, an adjustment entry related to Distributable for Za Zenchu Project amounting Rs. 21,900.28 are directly credited to Capital Fund as Addition during the year. Further an entry passed viz Capital Fund Debited to Profit & Loss Account Credited amounting Rs. 31,09,976.91 as deduction during the year and another entry of Rs. 30,901 related to NCUI Grant, Expenses for AHVY Project, LDP Programe, Nepal Donation as deduction from capital fund. Entries not explained to us, hence we can not comment on correctness of the balance. Further these funds are not backed by equal investments.
- iv) Building Fund of Rs. 36,45,151.00 shown in the Balance Sheet does not represent a correct balance as Service Charges Recovered from building Rs. 8,23,611.00 is directly credited to building fund without routed through Income & Expenditure account. Further assets purchased amounting Rs. 30,05,411.00 is debited to Building Fund. Hence building fund does not represent a correct picture.
- represent a correct balance as Payment for Assets Purchase total amounting of Rs. 8,00,000.00, Salary, wages and allowances amounting Rs. 9,48,082.00 are directly Debited to Training Development Fund. Further Surplus of Training Programme of Rs. 24,39,508 is directly Credited to Training Development Fund. We can not certify the correctness of the fund.

- vi) The NCCT has appointed a firm of Chartered Accountant as a Concurrent Auditor for the Financial Year 2018-2019 and we have relied on their Concurrent Year Report while conducting Statutory Audit of the Unit, as concurrent auditors are supposed to verify day to basis all the transactions of the unit.
- vii) During the Audit it is observed that One Fixed Deposit of Rs. 50,000 is available in ICM Since 2001 @ 11 %. Institute is receiving Interest Income from that FDR in cash but In books of account transaction has not been reflected. As per the information provided by the management Interest on FD amount is received for the purpose of Co-operative Award and the Interest accrued is utilized for awarding to the position holders of HDCM, the best employees and the best Co-operatives. Head Office should look into this matter. No provision made for accrued interest.
- viii) During the Audit it is observed that Institute is deducting @ 5 % on every mess bill and that deducted amount is kept in separate Bank Account and that Bank Account is not reflected in the Books of Account. Head Office Should look into this matter. This is nothing but diversion of fund with out approval.
- ix) The Institute has been making purchase of Consumable items and stationary items from the ICM Employee's Thrift & Credit Society Limited upto last year but during the year it has stopped and Institute discontinued to purchase from the above mentioned Society.
- During the Audit it is observed that there is a Mess Committee Fund since 1988 amounting approx 80,000.00 In Urban Co-operative Fund. This is not reflecting in Books of Account of the ICM. At Present Institute has not any Mess Committee to deal with this matter. The Head Office should frame a uniform policy for appointment and operation of mess transactions. There is scope for leakage.
- xi) On Sample Verification It is observed that TDS were deducted from most of the TDS Applicable Payments however the TDS for the month of January, 2019 were deposited on 20th February, 2019 and TDS for the month of February, 2019 was deposited on 13th March, 2019. It is strongly suggested

that it should be deposited before due date to avoid future liability. We suggest that TDS should be deducted and deposited to bank on or before 7th Of Next Month.

- xii) We have checked the amount of fees and academic incomes with the relevant supporting documents and we observed that there is no proper reconciliation of the income receivable and income collected from training various training programs is not done. We suggest that proper reconciliation of training fees collected with fees receivable should be maintained. Institute should maintain Separate Bill Register to keep an Audit trail of bills raised as and when program are scheduled / held, Advances received against them and final payment received. All receipts are accounted on receipt basis. No record maintained for receivable.
- xiii) Following Are the Outstanding Liabilities & Receivables which should be expense off:-
- a) AHVY Project DC Handicraft Amounting Rs. 1,610/-
- b) Leadership Program Amounting Rs. 26,218/-
- c) NCUI Fund Amounting Rs. 1,068/-
- d) Nepal Donation Amounting Rs. 2,005/-

We suggest that proper review may be done of the outstanding expenses and if no more payable, the same may be write off.

- xiv) Medical Advance given to N.N. SINGH amounting Rs. 9,80,000 Showing in Books of Account under Debtor. We suggest that ageing of advances should be reviewed from time to time and take appropriate actions. This is old amount and appropriate entry should be passed.
- xv) Physical Verification of Fixed Assets: It is strongly suggested that the Institute should develop a system of unique reference numbering or coding on each fixed assets and the location of the assets where it's lying, Control over identifying, recording, storing and disposal of assets retired from its

- active use should be done more effectively. Ensure that all assets are safeguarded against damage or theft.
- xvi) Physical Verification of Library Books and Stationary: Physical Verification Report of Library Books and Stationary are made available but we are not able to comment on safeguard against lost or theft of books and procedure for recovery in the case of lost or theft.
- xvii)During the Audit it is observed that the Institute has given contract for Mess for Contractor. Proper Procedure is followed but On Sample basis we observed that No Rate is fixed for Meal Charges. Food Bill should be prepared with the help of Actual Participants attendance sheet. In some cases bill is charged not according to actual participants. Mess Committee should look after this matter. Proper internal control is required.
- xviii) The Current Assets and Current Liabilities are subject to confirmation from parties. It has been observed that party wise ledgers have not been maintained for all Creditors / Debtors with Exception of Few. There has been no external confirmation statement available from parties.
- xix) On verification of the Trial Balance we have found that Institute had given some amount of T T Advance amounting Rs. 32,000.00 to Dr. I. A. Khan which is classified under under the head Current Liability but the relevant and necessary details are not available from how long period it is outstanding in the accounts of the Institute. Further there is an outstanding payable of Rs. 36,78,531.00 as on date but detail not made available, hence we can not comment on its correctness and from which a sum of Rs. 21,900.00 is still outstanding from the previous financial year. The management should look after the matter and should resolve the matter as earlier as possible.

- xx) There should be reconciliation statement with respect to transaction done with Head Office. There should be quarterly reconciliation system so that remittance from NCCT A/c is accurate all the time.
- xxi) During the Audit It is noticed that the unit has paid of Rs. 31,82,364/- on account of deposit of due Service Tax for the period from April 2013 June 2017 along with Rs. 4,77,355.00 as deposit of penalty and Rs. 18,41,359.00 as interest. Further the Institute has paid Rs. 55,01,078.00 as GST on Paid Programme Fees and Hostel Rent @ 18 %. Despite of repeated audit observation about applicability of Service Tax and Imposition of GST Liability, the Policy maker of the Institute had ignored resulting in payment of huge fine and loss as it cannot recover. It is the responsibility of the Head Office, with the oversight of those charged with governance, to ensure that all the Unit's operations are conducted in accordance with the provisions of laws and regulations, including compliance with the provisions of laws and regulations that determine the reported amounts and disclosures in all the unit's financial statements. Accountability should be fixed.

xxii)Receipt and Payment Account is not prepared on cash basis.

The Unit has earned interest on FDR. Bank Certificate and TDS Certificate in the form of FORM 16 or 26 AS not produced to us regarding the confirmation.

i) The Commonly prevailing basis of accounting are either cash or accrual basis for recognizing, measuring and disclosing of various items of income and expenses, assets and liabilities but the Institute is

found following hybrid form of accounting which contains cash basis as well as accrual system simultaneously in some cases.

- ii) As per the Circular No 4-18/RES/F&A/2015-2016 dated 28/01/2016 available, the Institute can retain 50 % of the Surplus from the Entire paid Programme and 50 % is to be transferred to NCCT Head Quarters Accordingly 50% of total Surplus amounting Rs. 40,72,086 generated through paid programme is credited to Training Development Fund and 50% to NCCT-HO. The Institute has not established any measure to evaluate the operating result regularly in order to fix the amount to be transferred to the NCCT Head Office on Quarterly basis. Fee is accounted on receipt basis and fee due but not received is not accounted and to that extent income is understated. This is very serious accounting error and must be rectified.
- iii) Capital Fund of Rs. 1,06,95,355.24 shown in the Balance Sheet does not represent a correct balance as an adjustment entry of Rs. 8,66,171.00 made from Capital Fund without any approval from NCCT. This adjustment entry belongs to Expenditure on Other Rental Programme and directly debited to Capital Fund. By this amount expenditure is understated.
- iv) Building Fund of Rs. 97,28,067.08 shown in the Balance Sheet. Service Charges Recovered of Rs. 37,11,674.00 is directly credited to building fund without routed through Income & Expenditure account. Hence income is understated by Rs.37,11,674.00.
- v) Training Fund of Rs. 1,11,92,418.95 shown in the Balance Sheet . payment for GST Liability for many years and Payment for Assets Purchase total amounting of Rs. 20,26,202.00 are directly Debited to Training Development Fund. Further Surplus of Training Programme of Rs. 20,36,043.00 and Income from Investment of Rs. 5,15,587 are

directly Credited to Training Development Fund. By this amount expenditure and income are understated.

- vi) The NCCT has appointed a firm of Chartered Accountant as a Concurrent Auditor for the Financial Year 2018-2019 and we have relied on their Concurrent Year Report while conducting Statutory Audit of the Unit as concurrent auditors have checked day to day affairs of the unit.
- vii) During the Audit it was noticed that Expenses was not booked in proper accounting head for example Expenses of Photocopies were booked in Repairs and Renewals that in wrong practice.
- viii) TDS is being deducted on payment basis and then deposited accordingly in the month in which the expenses are paid. As per TDS Rule, TDS is accrued on payment or credit whichever is earlier but ICM is deducting and Booking the TDS as and when expenses are paid. This creates deferment of TDS Liability. Further TDS on Salary deduction rule as per Income Tax Act are Tax Calculate for the Financial Year and divide by 12 then deduct on monthly basis during the year but it was noticed that TDS for the month of February, 2019 was not deducted and balance tax deducted in the month of March, 2019.
- ix) It has been observed that there is a long list of old Dead Stock items being carried on. The Management should look into proper disposal / Write off of these items as they are devaluing day by day. It is strongly recommended to dispose the Dead Stock.
- Physical Verification of Library Books and Stationary: Physical Verification Report of Library Books and Stationary are made available but we are not able to comment on safeguard against lost or theft of books and procedure for recovery in the case of lost or theft as there is some books was missing in the report.

- There is a huge amount receivable from very long period of Rs. 31,65,572/- Recoverable from CPWD and from CONFED of Rs. 12,600/- made pertaining for more than one year not seen settled so far in resulting liquidity blockage to the unit and having massive effect on finance management of the unit. The Institute should make an attempt to recover the same.
- xii) The Current Assets and Current Liabilities are subject to confirmation from parties. It has been observed that party wise ledgers have not been maintained for all Creditors / Debtors with Exception of Few. There has been no external confirmation statement available from parties. Few old creditors and debtors are shown in the books, we can not confirm where actually payable and recoverable.
- viii) Institute should maintain Separate Bill Register to keep an Audit trail of bills raised as and when program are scheduled / held, Advances received against them and final payment received.
- There should be reconciliation statement with respect to transaction done with Head Office. There should be quarterly reconciliation system so that remittance from NCCT A/c is accurate all the time.
- During the Audit It is noticed that the unit has paid of Rs. 15,47,083.00/- on account of deposit of due Service Tax for the period from 2013-2014 to 2017-2018 along with Rs. 8,17,879.00 as deposit of penalty and interest. - xxiii) The Commonly prevailing basis of accounting are either cash or accrual basis for recognizing, measuring and disclosing of various items of income and expenses, assets and liabilities but the Institute is found following hybrid form of accounting which contains cash basis as well as accrual system simultaneously in some cases.
- xxiv) As per the Circular No 4-18/RES/F&A/2015-2016 dated 28/01/2016 available, The Institute can retain 50 % of the Surplus from the Entire paid Programme and 50 % is to be transferred to NCCT Head Quarters .Accordingly 50% of total Surplus generated through paid programme is directly credited to Training Development Fund and 50% to NCCT.
- xxv) Building Fund of Rs. 6,36,06,043.34 shown in the Balance Sheet does not represent a correct balance as Service Charge Recovered total amounting Rs. 77,35,780.00, Saving Interest amounting Rs. 8,867.00, Income from Investment amounting Rs. 33,89,096.54, Other Addition amounting Rs. 3,32,353.00 are directly add back to building fund. Further Payment of Salaries, Wages and allowances etc amounting Rs. 28,140.00 is debited to Building Fund.By these amounts income and expenditure are understated.
- Training Development Fund of Rs. 5,85,49,533.55.00 :- Surplus from paid program Amounting Rs. 95,73,002.00 plus Income from investment made on account of Funds amounting Rs. 41,80,027.80.00 are directly credited to TDF. Further Payment for Assets Purchase total amounting of Rs. 3,34,163.00 and Payment for salary and wages amounting Rs. 76,24,582.06 are directly Debited to Training Development Fund. By these amounts income and expenditure are understated.
- xxvii) During the Audit it is observed that The NCCT has not appointed a firm of Chartered Accountant as a Concurrent Auditor for the Financial Year 2018-

2019. In this regards it has been explained by the officials of Institute that despite being number of letter and reminders issued by the DNS RICM, NCCT –HO has not given approval for the Appointment of Concurrent Auditor. It seems like there is a conflict / dispute between them so we are of the opinion that the necessary action at HO level to appoint the concurrent Auditors.

- xxviii) Physical Verification of Library Books and Stationary: Physical Verification Report of Library Books and Stationary are made available but we are not able to comment on safeguard against lost or theft of books and procedure for recovery in the case of lost or theft.
- Institute should develop a system of unique reference numbering or coding on each fixed assets and the location of the assets where it's lying, Control over identifying, recording, storing and disposal of assets retired from its active use should be done more effectively. Ensure that all assets are safeguarded against damage or theft.
- Thus Authority to issue cheques and made accounting entries is one person.

 Thus Authority should be delegated to different Employee so that work of one person will be checked by another and good Internal Control will be established.
- xxxi) The Current Assets and Current Liabilities are subject to confirmation from parties. It has been observed that party wise ledgers have not been maintained for all Creditors / Debtors with Exception of Few. There has been no external confirmation statement available from parties.

- xxxii) There is a huge amount received as advance against Training Program amounting Rs. 1,69,63,198. It is subject to verification. Institute should maintain Separate Bill Register to keep an Audit trail of bills raised as and when program are scheduled / held, Advances received against them and final payment received. Programme wise individual details should be maintained.
- xxxiii) There should be reconciliation statement with respect to transaction done with Head Office on regular basis. There should be reconciliation system so that remittance from NCCT A/c is accurate all the time.
- xxxiv) During the Audit It is noticed that the unit has not paid / settled due Service Tax for the period from April 2013-2014 to 30/06/2017 along with deposit of penalty and interest so we are of the opinion that the necessary action has to be taken by the management either to get it resolved at earliest after getting the necessary approval from NCCT as Interest and penalty are imposing day by day and as per information provided by the management that the total liability is approx 3,46,91,752.34. Further the Institute has paid Rs. 70,79,158.00 as GST on Paid Program Fees and Hostel Rent @ 18 %. Despite of repeated audit observation about applicability of Service Tax and Imposition of GST Liability, the Policy maker of the Institute had ignored resulting in payment of huge fine and loss as it cannot recover. It is the responsibility of the Head Office, with the oversight of those charged with governance, to ensure that all the Unit's operations are conducted in accordance with the provisions of laws and regulations, including compliance with the provisions of laws and regulations that determine the reported amounts and disclosures in all the unit's financial statements.

- xxxv) Receipt and Payment Account is not prepared on cash basis.
- xxxvi) The Unit has earned interest on FDR. Bank Certificate and TDS Certificate in the form of FORM 16 or 26 AS not produced to us regarding the confirmation hence we cannot comment on correctness of the TDS Outstanding.

xxxvii)MESS ACCOUNT

NCCT-HO should formulate a uniform policy for mess operations and appointment of mess contractor and fixation of rates etc. As there may be scope for leakages.

ACCOUNTING POLICIES AND NOTES FORMING PART OF ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2019.

A. ACCOUNTING POLICIES

1. BASIS OF ACCOUNTING

- i. The financial statements are prepared on historical cost conventions.
- ii. The accounts have been prepared on the concept of going concern.
- iii. The Income and Expenditure have been recognized on Accrual system of accounting from the financial year 2008-09.

2. FIXED ASSETS

- Fixed Assets are stated at cost of acquisition. The value of buildings reflect the cost incurred by ICMs out of grants/ contribution / donations received from Central Govt, State Govts, State Cooperative Union, Cooperative Movement, Internal generations etc.
- ii. The value of buildings, include some ICMs in whose case the land is allotted by State Governments in the name of respective State Cooperative Unions for establishment of cooperative training institutes but has been given for exclusive use of ICMs under an agreement to carry out training activities.
- The value of Fixed Assets including buildings are capitalized at the beginning of the financial year 2008- 09 with a contra under capital fund. Donations received from State Govts/Cooperative Movements/others and utilized for building construction/acquisition of fixed assets have been included for the purpose of calculating the value of fixed assets reflected in balance sheet.

3. DEPRECIATION

- NCCT being an academic/training institution, the Straight Line Method (SLM) of calculation of depreciation has been adopted w.e.f. financial year 2009-10 by following identical rate of depreciation with the academic institutions/central universities.
- ii. Assets costing below Rs.5000/- and where WDV is less than Rs.5000/- are fully depreciated in that year.
- iii. Library books, sports goods, hostel utensils and other assets costing below Rs.5000/- are depreciated fully in the year of acquisition.

4. EARMARKED/ENDOWNMENT FUNDS

NCCT has maintained Training Development Fund, Building Fund and few other designate funds as Earmarke '(Endowment Funds in line with G.O.I. guidelines to Central Autonomous Bod' s. All additions/income to these funds are directly credited to funds and all utilization/deductions out of these funds are directly debited to funds.

5. ACCOUNTING OF GOVERNMENT GRANTS/INTEREST COMPONENT OF CORPUS FUND FOR COOPERATIVE TRAINING.

- i) Government grant/Interest from Corpus Fund is accounted for on receipt basis.
- ii) Receipts and Payments account is prepared to the extent of the Central Govt. grant/Corpus Fund Interest received only. The ICMs located at Nagpur, Kannur and Madurai are given grants by the respective State Govts./Cooperative Unions to the extent of 50% of total expenditure of the said ICMs. The grants received from State Govts./Cooperative Unions are not included under the receipt side but set off against 50% expenditure of these ICMs.

B. NOTES ON ACCOUNTS

1. National Council for Cooperative Training (NCCT) is an autonomous body created by Govt. of India and is fully funded by Ministry of Agriculture and Farmers Welfare, Department of Agriculture, Cooperation & Farmers Welfare under the Central Sector Integrated Scheme on Agricultural Cooperation of Govt. of India through release of grant-in-aid from DOAC & FW and allocation of Corpus Fund Interest as created by DOAC, MOA, GOI. As per Govt. of India instruction Accounts of NCCT are being prepared as per grant-in-aid rules, G.F.R. and other G.O.I. instructions issued from time to time. NCCT is also formed as a Committee of National Cooperative Union of India (NCUI) registered as a Multi State Cooperative Society, under their bye laws 16 (A) with the approval of Govt. of India.

- 2. The National Council for Cooperative Training is following Government of India rules as regards establishment, service matters and other related matters except Recruitment rules framed by NCCT itself.
- 3. With the approval of Govt. of India, NCCT has introduced GPF-cum-Pension Scheme for its employees from the year 1988. Earlier the employees were covered under CPF scheme. Almost all employees have opted for GPF-cum-Pension scheme except few employees who continue on CPF scheme. The rules adopted for these schemes are same as applicable in Govt. of India for civil posts. The accounts of GPF and Pension Scheme are not merged in the Balance sheet of NCCT and are presented separately.
- 4. All ongoing fee based training programmes which are not completed/concluded and having credit balances are shown under "Advance received against Training Programmes". Similarly the debit balances being expenditure of the ongoing programmes are shown under Amount receivable against training programmes.
- 5. In case of Professional Courses, spread over next financial year, income and expenditure is recognized on receipt basis.
- 6. With effect from the Financial Year 2012-13 for the purpose of strengthening NCCT Pension Scheme, the Interest Earned/Accrued on Investment of NCCT Hq. and its unit's level Funds is being transferred to the NCCT Pension Scheme.

Compliance on observations of Statutory Audit Report for the Year 2018-19

Main Report

Particulars/Observation	Compliance
We have audited the accompanying standalone financial statements of National Council for Cooperative Training which comprise Balance Sheet as at 31 st March, 2019 and the Income and Expenditure Account for the year ended on that date annexed thereto and a summary of significant accounting policies and other explanatory information.	Informatory
Management's Responsibility for the Financial	Informatory
Management is responsible for the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, and financial performance of the NCCT in accordance with the Accounting principles generally accepted in India, including the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the NCCT and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a presentation of the financial statements that give a true and fair view and are free from material true and fair view and are free from material misstatement, whether due to fraud or error.	
misstatement, who are misstatement, which is a misstatement, and the misstatement are misstatement, and the misstatement are misstatement.	Informatory
Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the We have taken into account the provisions of the Act, the accounting and auditing standards and Act, the accounting and auditing standards and the matters which are required to be included in the matters which are required to be included in the audit report under the provisions of the Act and the audit report under. Rules made there under.	

We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the NCCT's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances bur not for the purpose of expressing an opinion on whether the NCCT has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the NCCT's management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India: a) in the case of the Balance Sheet, of the state of affairs of the NCCT as at March 31, 2019;

b) In the case of the Income and Expenditure Account, of the "Deficit of income over expenditure" for the year ended on that date.

observation/comments/discrepancies inconsistencies; if any:

Common Points in All Branches

- Depreciation is charged as per accounting policy of NCCT. The current assets and current liabilities are subject to confirmation.
- The accrual concept has not been fully ii) adopted.
- The NCCT-HO has appointed concurrent iii) auditors for each unit for in depth checking of accounts. We have relied on concurrent Audit Report for the financial year 2018-19.
- Income from investment and paid iv) program/professional share/ service charges from hostel of following unit directly transferred to TDF & Building Funds instead of showing in income and expenditure A/c and then further transferred to NCCT- Head Office per accounting policy of NCCT but this against practice is the income Tax/Accounting rule and this practice understated the profit and loss of current year.

Consolidation Issues

- It is found that Consolidated chart of i) Depreciation of all the units and HO prepared of last some years and current year except financial year 2017-18, details of each Noted in this chart not made so we cannot comment on the consolidated figure whether it is correct or not .consolidated schedule of fixed assets could not be tallied with individual schedule.
- All the accounting standards have not been complied properly like AS-9, AS-21, AS-22, AS-10 etc.
- Effect of inter unit balance has not been iii) eliminated hence due to which current assets and liabilities overstated. Amount of Rs. 19,26,30.073.65 is shown in current assets and rs. 19,47,30,328.02 is shown in current liabilities. By these amounts current assets

On verification of the Balance Sheet, we found that Necessary correct entry will be passed to the amount of Rs.13,19,221.00 relates to Refund From Service Tax Department which had been pre deposited in terms of Section 35F of the Central Excise Act, 1944 with O/O Assistant Commissioner of the Central Tax has already been received but it is showing under the head other current liability. This indicates that some wrong entry took place during the earlier year. Management should look into the matter and justify a reason for the same. If the account exists without any base, then the management should nullify the account after due permissions/approvals from concerned authorities. By this amount current liabilities are overstated.

rectify the mistake.

Noted

We noticed that as well as informed by the Competent Authority that the Institute is maintaining Sufficient balance of FDR's in the bank but on such amount the Bank had not deducted any amount of TDS on the interest amount which violates the provision of Income Tax Act, 1961. Also, it is not clear that whether the amount of interest credited pertains to the net of TDS or it is a gross amount of Interest. Copy of 26 AS not given, hence we can not comment on the amount of TDS and amount recoverable from NCCT HQ.

Provident Fund contribution deducted from the employees is transferred to NCCT Delhi for Payment. Payments are made in NCCT Delhi on behalf of the institute. We were unable to verify the payment details. During the Audit it was observed that PF is not being deducted and paid in respect of Contingent staff. It is suggested to examine the applicability of PF provisions in respect of and Contingent staffs and take necessary action.

As per the Provisions of the Income Tax Act, 1961 tax has to be deducted source on Professional Charges paid to an Individual if the total payment made during the year exceeds Rs. 30,000. The RICM is deducting TDS below Rs.30,000 on account payment to Guest Faculties for their professional

services. Further, it was observed that the management has aggregated the GST amount while calculating TDS to be deducted. GST portion of the amount has to be excluded while calculating tax to be deducted at source.

Mess operation: During Audit it is observed that the institute has given contract for mess operations. Food bill should be prepared with the help of actual participants attendance sheet. In some cases bill is charged for higher number of persons and not according to actual participants. NCCT should for a uniform policy in this regard as there may be possibility of revenue leakage.

We are paying mess bills as per attendance of participants. The institute already initiated steps in this regard. The institute for the current year used to provide farewell lunch to the long duration programme wherein only the participants, Faculty directly associated with the programme, course assistant and MTS is provided farewell lunch.

NCCT should conduct a training course like basic tally and GST Training. Training about IT, TDS applicability, TDS rates, GST Returns, Pay roll management, basic business essential in Tally ERP 9 in their units to train the Accountant and Administrative staffs so that accounting and statutory compliance mistakes can be reduced and future liability can be avoided. It is observed that Accounts Staff are not aware of number of provisions and accounting systems. Proper training to be given to Account Staff.

The Accountant cum Office superintendent I/c and Accountant is at present undergoing training on Tally ERP 9 based on the instructions of the NCCT. With regard to GST and other legal aspects, NCCT may conduct suitable training programmes.

During the audit it is explained to us by the RICM officials that the Ex-Chairman, MC Mr.BS Viswanathan is creating dispute and disturbing the RICM in so many ways. He has formed a parallel institute in same name with ulterior motives. All the stakeholders of the RICM are suffering and business and growth of the units has been stopped. The NCCT-HO should take appropriate action to stop such illegal activity. Civil suit is pending between the parties.

The institute is pursuing the legal issues and adhering the instructions of the NCCT in this regard.

Payment from NIRB: The institute has received one RICM, B'lore has received Rs.50.00 lakhs time grant/amount of Rs.50,00,000 in lieu of construction of one wing for NIRB used till 31st December, 2019. This amount is not repayable but is shown in liability. Appropriate entries should be passed. In our opinion liabilities are overstated by this amount. Agreement with NIRB is going to expire on 31-12-2019 but no notice for eviction served on NIRB. The Commonly prevailing basis of accounting are either cash or accrual basis for recognizing, measuring and disclosing of various items of income and expenses, assets and liabilities but the Institute is found following hybrid form of accounting which contains cash basis as well as accrual system simultaneously in some cases.

During the Audit it is observed that no rate is fixed for Meal Charges. On Sample Verification conducted by us it is found that different rates are charged from Participants of different progamme.

During the Audit it is observed that no rate is fixed for Meal Charges. On Sample Verification conducted by us it is found that different rates are charged from Participants of different programme. From Bill Copy, it was observed Higher number of participants is shown against actual number and higher amount is charged by the mess cook by inflating the bill. The Present Practice Adopting by the MICM is against the policy and guidelines issued by the NCCT. There is no internal control at all. There is large variation in the rates.

Old Balances are still appearing in the Balance are brought forward since long need to be adjusted / cleared immediately like Recovery made from Mr. R.N. Sahoo, Ex-Employee of the Institute for Rs. 1,79,625/- against shortage of Fixed Assets during the tenure of his office has been kept unadjusted till date. Fixed Assets is over stated to that extent.

During the audit it is observed that an LDC Employee namely Deepti Mohanty is claiming HRA since 2008 with the help of MICM Director. As per rule HRA is not admissible if her husband has been allotted accommodation at the same station by the Central Government, State Government, An Autonomous Public Undertaking or Semi-Government Organization where she resides. She is living with husband who has been allotted 3 Bed Room Class - 1 Quarter, also earning rental income from her quarter. Despite this she is claiming from MICM in the name of HRA and it seems like Director is supporting her.

Accounts are presently maintained as per the guidelines issued by NCCT as amended from time to time.

Payment towards mess cook subsidy already discontinued. Further action in this regard will be initiated as per guidelines issued by NCCT considering the viability of outsourcing.

Noted... Meal charges varies as per the budget provision sanctioned by the sponsoring organization depending on duration of the programmes, level of participants etc.

Noted..... Action will be initiated as per guidelines issued by NCCT, New Delhi after considering provisions under Limitation Act.

Noted..... However, since it is an old case relating to the year 2008, from the existing office record it appears that the Principal/Director during 2008 might have allowed the drawal of HRA as per the records available in the Service Book mentioned based as per the address mentioned in the service book. The service book of the concerned employee was also sent to NCCT several times since 2008 till Further action in this regard will be initiated as per instructions/guidelines issued NCCT.

The MICM is showing Other Current Liability Noted..... Action will be taken at the amounting Rs.2,55,97,329.50 under the Current Liabilities & Provisions in the Balance Sheet which Consists Fixed Assets Shortage Recovery amounting Liability Rs.1,79,625.00, GST amounting Rs.3,08,580.50, NCCT Fund (Repair/Renovation) amounting Rs.1,20,000.00, RKVY (Infrastructural Development Fund) amounting Rs.1,28,76,000.00. These are old balance and subject to verification. Further Centre Charges received from BPUT for Rs.58,070 payable to staff for their supervision work kept un-disbursed till yet and shown under Current Liabilities as on the Audit. An early action for disbursement is suggested. These are subject to verification and confirmation.

The Commonly prevailing basis of accounting are Institute is following the accounting either cash or accrual basis for recognizing, measuring and disclosing of various items of income | HQ. Audit is requested to kindly and expenses, assets and liabilities but the Institute | apprise us for further improvement. is found following hybrid form of accounting which contains cash basis as well as accrual system simultaneously in some case.

Income and Expenses are to be classified and accounted according to their nature and then only the financial statement can be prepared in order to give more information to the users otherwise the decision taken based on these reporting would be arbitrary. But it may situations the Institute accounted many income and expenditure in Common heads.

All the fee received from regular course as well as from paid programmes have been accounted under a common head" Fees & Academic Receipts (PP)" in our opinion paid programme and other receipts should be shown separately.

All the expenditure in connection with programmes other then Boarding & Lodging. Course Materials, Stationery. Travelling and Honorarium to Faculties and accounted under a common head " Other Expenses (PP)" and it result to become the major item of expenditure under the group: Expenditure on Paid Programmes(PP)" It is suggested that the expenditure should be classified and recorded as per its nature so that comparative could be done.

As per the detailed annexure provided by the Institute per day rate per participants for meal as well hostel rent should also be mentioned in the annexure further other charges received and other programeme Expenses should be removed and instead appropriate heads should be mentioned in the respective columns.

As per the Circular No. 4-18/RES/F&A/2015-16 dated 28.01.2016 available. The Institute can retain 50% of the surplus from the Entire programme and 50% is to be transferred to NCCT Head Quarts Accordingly 50% of total surplus amounting Rs 10404007.18 generated through paid programme is directly credited to Training Development Fund and 50% to NCCT.

balance sheet does not represent a correct balance as Assets purchased amounting Rs 902066.59 and amount receivable from PGDM amounting Rs 1880442.18 are directly credited to capital fund. The Commonly prevailing basis of accounting are either cash or accrual basis for recognizing, measuring and disclosing of various items of income and expenses, assets and liabilities but the Institute is found following hybrid form of accounting which contains cash basis as well as accrual system simultaneously in some cases.

During the Audit it is observed that the Institute has given contract for Mess to his employee's wife. This itself violation of rule as Institute's staff relative is not eligible to get Mess Contract. The only authority who will decide to give Mess Contract is "Mess Committee" on the basis of quotations received various Food Contractors. The Institute has failed to produce us Mess Committee Order, MOU between ICM and Present Mess Contractor, Details of Quotations Called from other Contractors. This Practice is against policy and guidelines issued by the NCCT. As per information received/gathered, Mr. Tiknayak is sharing the income with the mess contractor. This is very serious violation and needs special investigation. Further NCCT-HO should frame broad guideline for running the mess. There is scope for leakage of funds. It required immediate attention. The Director ICM informed that now procedure has been started for appointment of mess contractor and procedure is being followed.

At present the Institute is following both the methods in certain cases.

The Institute will follow Accrual system of accounting in future.

The Purchase Committee decided to give contract for supply of food to the trainees since 07-05-2014 to M/s Yash Foods Services & Caterers.

On 26-03-2018, M/s Yash Foods Services & Caterers shown inability to provide food to the trainees on the then existing rates i.e. Rs.200/- per day per head which included Breakfast, Lunch and Dinner for short term training programmes. Further. the service provider requested for enhancement of the rates from Rs.200/- to Rs.265/- per head. The Institute called Purchase Committee meeting on 06-04-2018 and enhanced the rates from Rs.200/- to Rs.220/per head with following conditions.

- 1. The Mess Contractor has to pay 10% services charge to Institute that comes to Rs.22/- per head per day.
- 2. The Mess Contractor should not supply food to the outsiders.

It is worthwhile to state here that with this less rate nobody was ready to provide food to the trainees as per the discussions held with different food caterers.

The Institute's Purchase Committee meeting held on 17-10-2019 decided that Institute will call quotations from food caterers for running of DGICM Mess through newspaper advertisement by following proper procedures.

It is enquired with the Mess Contractor about any role played by Shri R.B. Tiknayat, Office Suptd. in respect of financial matters, profit sharing. The Mess Contractor has denied such role played by Shri R.B. Tiknayat, Office Suptd. discharging her food catering services in the Institute.

During the Audit It is noticed that the ICM is not following NCCT's Guidelines & Policies. The Office Superintendent of ICM Namely Ravindra Tiknavak has visited recently for Kathmandu Tour for Leadership Development Programme without any approval from NCCT Headquarters. There is no need to go there for any other officer except Guest Faculty. The ICM's Director has given permission to him. The practice adopting by the ICM is against Policy and Nepal for conducting of training Guidelines issued by the NCCT. Please look into the matter and take necessary action. The Director explained that due to staff shortage and Mr. Tikanayak being well converse with local language has to accompany.

As per the records of the Institute since 1997 the Institute is organising outstation programmes in different parts of the country. Shri R.B. Tiknayat was accompanied with the Faculty members, Principals, Vice-Principals and Guest speakers to assist for smooth conducting of outstation training programmes.

By considering the present conditions of the Institute i.e. shortage of Faculty members. financial resource conditions, the Director assigned him to assist Guest faculty members at programme. Since Shri R.B. Tiknayat, Office Suptd. is well versed with Marathi language, he knows the cooperative leaders of Maharashtra State and these leaders insist his presence for smooth conducting of training programmes.

As per the Circular No -4-18/RES/F&A/2015-2016 dated 28/01/2016 available, the Institute can retain 50% of the Surplus from the Entire is credited directly to TDF account of Programme and 50% is to be transferred to NCCT Head Quarters Accordingly 50% of total Surplus amounting Rs. 37,28,344.22 generated through paid programme is directly credited to Training Development Fund and 50% to NCCT.

Building Fund of Rs. 72,63,881.08 shown in the Balance Sheet does not represent a correct balance

The total net surplus amount of Rs.37,28,344.22 for the year 2018-19 the Institute. As per the NCCT circular 50% of the total net surplus remitted to NCCT through Remittance account.

Noted and the same will be revisited and rectified

as payment made for Construction to CPWD of Rs. 6,20,425/-, Advance Fees Refund of Rs. 1,43,116.00 and Payment of Security Guard of Rs. 55,582.00 are debited to Building Fund. Further Service Charges from Hostel of Rs. 3,39,825.00 is directly credited to building fund without routed through Income & Expenditure account. Hence due to this income & expenditure account does not represent a correct position.

Training Fund of Rs. 1,71,76,832.81 shown in the Balance Sheet do not represent a correct balance as payment of 7th CPC Arrears of Rs. 8,78,695 and Payment for GST Liability for many years of Rs. 13,16,110.00 and Payment for Assets Purchase of Rs. 22,694 are directly Debited to Training Development Fund. Further Surplus of Training Programme of Rs. 18,64,172.11 is Credited to Training Development Fund. The income for the year 2018-19 is understated and overstated by these amounts. We had been advising since long for service tax liabilities but no action taken and Institute suffered huge loss. Accountability should be fixed. We appreciate the efforts of RICM Director for taking corrective measure in reducing the service tax liability.

Institute having Current Bank Account with two Banks showing in the Balance Sheet under the head Current Assets, Loans, Advances etc but failed to produce us bank Certificate indicating closing bank balance as on 31/03/2019 for our verification during the Audit. Further Bank Reconciliation Statement has not been prepared by the institute. Hence we can not comment whether bank balance tally with the bank records.

The NCCT has appointed a firm of Chartered No comments Accountant as a Concurrent Auditor for the Financial Year 2018-2019 for conducting detailed day to day audit and we have relied on their Concurrent audit Report while conducting Statutory Audit of the Unit. Concurrent Auditors has not reported any major or serious irregularities and we have relied on its report while conducting statutory audit of the institute as random basic.

Physical Verification of Fixed Assets: It is strongly

As per NCCT order we have paid 7th CPC arrears of Rs.8,78,695.00/- and payment for GST liability Rs.13,16,110.00/-.

As per NCCT approval we have purchased assets of Rs.22,694.00/-

As per guidelines of the NCCT, 50% net resource generation amount of Rs.18,64,172.11/- is credited to Training Development Fund.

The Statutory Auditors are not given any guidelines to the Unit for collection and remittance of Service Tax to the Department since the Service Tax is effected in year 2007

The Institute obtained Closing Balance Certificate as on 31-03-2019 from Bank of Baroda for two Super Saving Bank accounts (a. Institute's General Account and b. Institute's MBA account)

suggested that the Institute should develop a system of unique reference numbering or coding on each fixed assets and the location of the assets where it's lying, Control over identifying, recording, storing and disposal of assets retired from its active use should be done more effectively. Ensure that all assets are safeguarded against damage or theft. Proper assets register as required is not maintained and physical verification as per required procedure not done, hence we can not comment whether there is any loss of assets or not.

Physical Verification of Library Books and Stationery: Physical Verification Report of Library Books and Stationery are made available, hence we are not able to comment on safeguard against lost or theft of books and procedure for recovery in the case of lost or theft as there is some books was missing in the report. Proper library register as required is not maintained and physical verification as per required procedure not done, hence we can not comment whether there is any loss of assets or not.

There is huge amount receivable from very long period of Rs.3,41,92,000.00/- Recoverable from Government of Maharashtra made pertaining for more than one year not seen settled so far. Further an amount of Rs. 6,320/- related to Seminar For Fishing made pertaining to last year not seen settled so far. An amount of Rs. 77,408.00 from Financial Assistance Education Fund made pertaining to last year not settled so far in resulting liquidity blockage to the unit and having massive effect on finance management of the unit. The Institute should make an attempt to recover the same.

register is maintained and also shown to the Auditor along with physical verification report.

The Library register is also maintained with updated entries.

The Institute is making rigorous efforts for getting Government of Maharashtra grant i.e. 50% share accrued to the long standing dues of Rs.3,41,92,000/- yet to be received.

Seminar on Fisheries Cooperatives organised at this Institute and the balance amount of Rs.6,320/- is receivable from Fisheries Federation with whom the Institute is in continuous persuasion.

The bill is submitted to NCUI for reimbursement of balance amount of Rs.77,408/- from financial assistance education fund under copy to NCCT. New Delhi.

The NCCT carried out the renovation work of the office in the year 2009 and the work were assigned through CPWD and based on their final bill the amount of Rs.7,52,7300 was payable to them. This amount was released for rectification of certain defects for liability period. NCCT persuaded CPWD for renovating those defects but ultimately CPWD did not turned up. Now despite lapse of 10 years there was no claim by CPWD, hence the amount standing from sundry creditor has been transferred to account.
As per accounting policy of NCCT, income/expenses from investment out of earmarked fund is to be added or deducted directly from that respective funds but it has transferred all such incomes NCCT-HQ including ICMs to Pension funds without reflecting it through Income & Expenditure account.
